## Burglars Take TV Sets at 3 Homes

2 Other Residents  
Looted; Burglary,  
Theft Charges Filed

Burglars obtained substantial loot at five Quad-City homes this week and also looted a plant of brass valued at \$200. A burglary charge and a theft charge were filed in other cases.

A 17-inch beige and brown television set was stolen by thieves who broke into the home of Joe Ray, 3437 (r) Missouri avenue, Monday night, the property owner told police Tuesday.

Entry was gained by breaking a glass in the front door. The burglars initially attempted to enter through the side door which was double locked, police said. Value of the television was listed as \$150. A new 20-inch black and white portable television set worth \$150 was stolen from the home of Kent Hanson, 2221 Alexander street, the owner informed police at 9:10 p.m. Tuesday.

Hanson said the thieves entered the home through a rear door by breaking a section of window glass, reaching inside and unlocking the door.

## Capt. Dutko Named Chief Of Madison Police Dept.

Police Capt. Frank Dutko, a veteran law enforcement officer and the father of five children, was appointed Madison chief of police Tuesday night. He succeeds retired Chief Emmett Pizia.

The appointment, announced by Mayor Stephen Maurer at a regular city council meeting, was confirmed by the Madison aldermen. It is subject to renewal at the start of the city's fiscal year on May 1.

Other appointments announced Tuesday, included those of Paul Besserman, 1200 Washington avenue, Madison, to the post of street department foreman, Joe Scruggs, 1470 Second street, a former city employee, to the street department, and Jeffrey Maurer, 811 Iowa street, Madison, as a civilian desk clerk in the Madison police department.

Following a recommendation by the Madison Board of Fire and Police Commissioners, the appointment of Probationary Patrolman Charles John Bridick to the rank of patrolman was approved, effective Saturday, and the appointment of Thomas E. Valdes, 1635 Fifth street, as a probationary patrolman, was authorized.

Continuing assignments of the police department assignments, Mayor Maurer said.

## GC Nearly Broke-- Rich Tells Council

Treasurer Says City  
May Not Be Able to  
Meet February Payroll

The city of Granite City is virtually broke, Council members received that word Monday night from City Treasurer E. J. Rich, who added that he does not know how the city will meet its payroll in February.

The payroll amount is \$120,000 a month, and the council Monday night aimed to cut \$86,000 of reserve funds to meet this month's payroll. The only income available now is the average \$41,000 monthly sales tax receipts and average monthly income of \$30,000 from state income tax allocations.

Rich said he has a stack of unpaid checks in his office and that the city is not sure how a particular fund may have a deficit, and state law forbids him to sign checks on funds with deficits.

His report on the city's financial plight was not entirely unexpected. Mayor Parnell said the council several months ago that the costly sewer break repairs—now totaling \$700,000 in street department work—were breaking the city. He asked for close economy and for council aid in conserving what funds were available.

Layoffs Possible

He remarked Monday night that he had not received any word from the council and that he would follow his program of laying off city workers before borrowing money.

Treasurer Rich pointed out that as of Monday night, the council sales tax reserve was down \$228,000 from the original \$500,000. He said that before sewer breaks and municipal street projects, the balance had been a comfortable \$500,000.

Funds transferred through a resolution approved Monday night, totaling \$77,500 of the reserve funds. From the sales tax reserve, \$40,000 went to the fire department, \$20,000 to the street department and \$17,500 to the general government operations.

At present, the Granite City authority operates 61 low-rent apartments—451 at Kirkpatrick Homes and 200 designated for the elderly at The Anchorage.

The possibility of creating additional units for senior citizens has been discussed in recent months, and the meeting in Chicago is being scheduled to determine whether the federal government would authorize construction expenditures.

Current priorities at the regional office give first attention to public family housing, second to proposals including family and elderly units, and third to apartments for the elderly.

The present emphasis on family dwellings is a change from 1964 of past years, when the U. S. stressed housing for the elderly.

The GCRA has been advised that present national conditions of Federal Housing Authority and Public Housing Administration functions will bring regional services closer to Indianapolis, Ind., where the office is in Springfield, Ill., is expected to be in operation by September 1970.

Sub-zero temperatures this week clogged the Chain of Rocks canal and locks but river traffic continues to move at a slow pace. Local service stations and garages are swamped with trouble cars, heating gas consumption has hit a peak, but waterline freezing is not excessive.

## Conference Set On More Housing For Elderly Here

Granite City Housing Authority officials are planning a conference Tuesday night to discuss plans for a new elderly center, which would include a day care center, a library, a recreation center, and a dining hall.

Chairman Ernest E. Veihl Jr., Executive Director of the Housing Authority, said the conference will be held at the Anchorage Hotel. He said the conference will be held at the Anchorage Hotel.

## Levee District Budget Up 34%

Tentative Bill of  
\$1,323,275 is Filed;  
To Be Raised Later

A new tentative budget and appropriation bill providing general and special expenditures of \$1,323,275 during the 1970 fiscal year was filed for public inspection yesterday by trustees of the East Side Levee and Sanitary district who, a short time later in the same meeting, added \$125,000 in new projects for a total budget figure of \$1,448,275.

The new general fund budget of \$1,448,275 is an increase of \$172,025, or 34%, over the 1969 appropriation of \$1,076,250. The bi-county levee district including parts of Madison and St. Clair counties, operates in a fiscal year from Jan. 1 to Dec. 31, same as the calendar year.

The \$125,000 in budget items were approved during the board's regular meeting session at the urging of William "Mike" Ebersold of Venice, a Madison county member of the levee board who listed four projects which he said should be carried out in 1970 because of the need emphasized by the flooding caused by heavy rains last July.

Re-Elect Campbell

Filing of the new budget bill followed the board's annual reorganization meeting in which Morris Campbell of East St. Louis was re-elected to his second term as president of the levee board. A rumored bid by Board member Lawrence Tolar, former board president, to replace the post, failed to materialize.

Campbell was nominated by Tolar and Ebersold gave his second to the nomination. Campbell was elected by acclamation.

The appropriation bill was placed on the file for public inspection for a 30-day period. A special meeting in which a public hearing will be held on the budget is expected to be scheduled in early February.

The substantially increased budget is expected to bring the district's overall budget requirements to about \$2.5 million. Annual payment of outstanding bond principal and interest requires about \$1 million. The bond tax, however, is extended by the county public works office under existing bond ordinances.

## Unions Seeking Bilna's Ouster From MH Board

An effort to oust John Bilna of Venice as a member of the Quad-City Mental Health Board was initiated last night by the Tri-City Trades and Labor Council, which voted to request that Bilna and Structural Ironworkers Union Local 392 of East St. Louis remove Bilna as representative on the mental health board.

## Thief an Optimist; Steals Lawnmowers

A thief who obviously anticipates the eventual return of warmer temperatures visited the garage of H. O. Harris, 501 Jefferson street, Venice, according to a report to Venice police yesterday.

Harris told officers the person who broke into his garage took a power lawnmower that was in good working condition, and another "janked" power mower.

## 16 Undergo Surgery At Local Hospital

The following are recovering from surgery which they underwent this week at St. Elizabeth Hospital:

Harvey McKinney, 2300 Lincoln avenue, Harvey James, 2300 Glen drive, James R. Thomas, Route Two, Donna M. Mueller, East Adams, Charles Sartin, 1561 Walter Street, Margaret A. Buerge, Route 7, Edna E. Martin, 1561 Walter Street, 4375 Highway 124, Beverly Kneek, 1801 August street.

## Cold Weather Stalls Autos; Heating Gas Record is Set

Sub-freezing temperatures here this week, dipping to five degrees below zero this morning, sent heating gas consumption to a record peak, stalled hundreds of cars and slowed traffic through the ice-packed Chain of Rocks canal and locks.

Lakes and ponds in the area are frozen, providing outdoor ice skating for a few hardy individuals, but with the persistent ice and snow remaining on most sidewalks and streets causing numerous falls and injuries, most Quad-Cityans this week are limiting activities.

Carl Mathias, area manager for Illinois Power Co., said gas consumption hit a record 601,881,000 cubic feet per hour Tuesday.

## Family of Seven Routed by Fire

A family of seven, forced to flee into zero temperatures clad in nightgowns when a blaze destroyed their six-room frame home in Mitchell early Tuesday, is urgently in need of furniture, food and other necessities.

## Error in Charge Placed against Driver

A news item in Monday's issue reported that a driver, charged by Venice police against John L. Logan of Venice, the article stated the charges were based on a report that Logan was driving while his license was revoked. The first charge was based on a report that Logan was driving while his license was revoked. The Press-Record regrets the error.

## Cash Register Stolen

Burglars kicked in a door at the East 22nd Street, Confectionery, 3000 East 22nd street, entered the building taking a cash register containing loose coins, the proprietor reported to police at 4 a.m. yesterday. The intruders were seen running from the rear of the store towards an alley, he said.

## City to Study Snow Routes, Pontoon Road White Way

Studies on establishment of snow routes in Granite City and then he noticed Treasurer E. R. "Pat" Rich was smiling. "You may laugh, but the council is running the city," Rich explained he had smiled at a remark made by one of the aldermen.

Alderman Poulos proposed the snow routes for major thoroughfares for concentration of city equipment in the event of emergency weather.

Council members authorized a review of salt spreading equipment to replace the present spreaders which are designed for a combination of cinders and salt. Street Supt. Warfield said that when the current supply of cinders is gone, the department will have to switch to salt spreading only. "There just aren't any more cinders available, anywhere," he added.

Warfield said that spreading salt will be much more costly than use of a mixture of cinders and salt, and that the city will probably have to face that problem next year.

Grader, Street Sweeper On a motion by Nomm, who substituted as Street committee chairman for hospitalized Alderman Clyde Boyd, the city plans to purchase a new road grader and street sweeper for the street department.

Lone bids from the O. B. Avery Co., St. Louis, were opened at the Dec. 22 meeting in the amounts of \$24,587 for the grader and \$12,995 for the sweeper.

Nomm told council members he was advised by O. B. Avery Co. officials that prices on the equipment will be going up 10% to 15% within the next several months, and that the purchases should be made now.

He remarked, "Now don't tell me you don't know where the money is coming from," and

## Scouts Preparing for Annual Klondike Derby

Unlike most adult sentiments regarding the snow covered terrain, about 600 Boy Scouts are hoping the weather will remain cold and the ground concealed by snow just nine more days — at least 'til after the running of the Klondike Derby on Saturday, Jan. 17.

The 49th annual winter activity program of the Chokoma Mound Boy Scout Council and the second annual "Klondike Derby" event will be staged on the campus of Southern Illinois University-Southwestern.

The day-long activity will begin with registration at 9:30 a.m. Jan. 17, at the headquarters site, designated "Juncus," located on the SIU-SW peninsula area near the small campus lake. During the summer months, the Klondike Derby sector is used by faculty members and students working at the college as a recreational swimming area.

To participate in the winter contest, Boy Scouts from most troops in the southern half of Madison county are working diligently to construct an authentic Alaskan sled — the type used to transport men and material goods across the frozen Arctic wastes.

According to Charles R. "Skip" Milhouser, activities chairman for the Chokoma Mound Council and general coordinator of the Klondike Derby, competition is based strictly on the patrol level against the clock.

"The winter program in its entirety will test the skill and team effort of each patrol entered," he said. "Knowledge of the six basic scouting skills will determine which patrol achieves the greatest number of 'gold nuggets' to earn awards at the day's end."

Milhouser explained that six event sites will be designated by the names of Alaskan towns. He stressed that no sled entered in competition in previous years is eligible to compete in the 1970 Derby sled judging.

Registration at 9:30 a.m. Jan. 17, will take place at the Juncus site. Each Boy Scout is encouraged to wear his scout uniform, but to dress warmly, the general chairman said.

Explaining the scoring procedure, Milhouser reported a set amount of gold nuggets will be given at each town for various levels of success. The nuggets then carried from station to station to be counted at Juncus after all six events are completed.

**HANDRAIL SUPPORTS** on an authentic Klondike sled are nailed in place by members of Boy Scout Troop 35 in preparation for the "Klondike Derby" run, Saturday, Jan. 17, at the SIU-SW campus. The six-foot, all wood sled constructed by the boys will be one of several hundred entered in the scouting skills winter marathon. From left to right—Steven Troecker, Assistant Scoutmaster Kelly Ross, a Seabee veteran who served in Vietnam, Barry Gibbs, John Moran and Mike Mennerick. Troop 35 is sponsored by IOOF Six-Mile Lodge of Nameoki.

completed. Each gold nugget is worth ten points in the scoring, with one point deducted for each minute used in completing the entire course.

Boy Scouts expected to participate are from troops in Granite City, Madison, Venice, Edwardsville, Collinsville, Troy, Highland, Marine, State Park, Alton, and Greenville.

Although limited to Boy Scouts only, members of area Cub packs and Explorer posts, along with parents and friends, are invited to view the Klondike activities at SIU-SW. Milhouser stated there are about 3000 cubs, scouts and explorers in the Chokoma Mound Council's jurisdiction.

Scouting skills to be judged at the six stations, include: Whitehorse, estimating distance between points, such as height and length.

Skiway—knowledge of back woods first aid and how to construct a makeshift stretcher from materials at hand.

Dawson—proficiency in re-

ceiving and sending Morse code.

Fairbanks—ability to follow directions given on a map.

Forty-Mile—scout patrols will be judged on their fire building knowledge.

Nome—depending upon conditions of the ground, each patrol will either race a sled against the clock or will have the sled judged on its construction.

Milhouser noted the sleds use "bush power" only and the vehicle's general construction usually determines whether it can successfully navigate the run.

"The scouts work hard at building a sturdy sled, with many boys painting and decorating them in bright colors and designs," he explained.

Constructed entirely of wood, the Alaskan sleds have specially designed runners which are varnished and waxed to permit easier travel.

The Klondike Derby chairman said that each boy is being urged to have a lunch of sandwiches, chocolate bars,

hiker snacks, such as raisins, or peanuts, and a thermos of hot soup. He noted there will be no cooking fires, and drinking water also must be provided by the patrols.

Assisting in judging the events will be members of the Alpha Phi Omega Explorer Fraternity at SIU-SW, together with the commissioner's staff from the Uniwah District.

Those helping Milhouser arrange the Klondike Derby include Bill Trean, Uniwah District scout executive, John Pekarick, district activities chairman, and Pete Maer, a member of the council activities committee.

## MORE ABOUT Unions Seeking

move was confirmed by 37 delegates who attended last night's council meeting as representatives of 32 union locals, Reiske said.

**Vote Unanimous**—"I had nothing to do with the action," Reiske added. "The matter was brought up by the delegates and voted on by them. A vote was taken by a show of hands and the vote was unanimous."

Reiske, as a member of the County 708 Board, sought with other 708 members the dismissal of Jerry Staten, director of the Quad City mental health clinic. The local board refused to dismiss Staten, contending his administrative record has been good and there is no reason to remove him.

Because of the local board's stand, the 708 Board has cut off county tax funds to the local board and has threatened to set up its own clinic with its own staff. The Illinois State Mental Health Department, meanwhile, has backed the local board with a guarantee of sufficient funds to continue operation of the Granite City clinic until the dispute is resolved.

Reiske explained that Bilna was appointed by the Tri-City Trades and Labor Council about five years ago as its representative on the local mental health board. That action was taken upon Reiske's recommendation at that time, Reiske said.

**No Longer Council Delegate**—He said Bilna left the trades council as a delegate about a year ago and for that reason the council no longer has the authority to remove Bilna from the local mental health board.

The alternative action, he said, is the request to the East St. Louis union to which Bilna belongs, asking that it remove Bilna as a board member.

Bilna served as chairman at a special meeting of the Quad-City board last Friday when board members repealed an earlier decision to resign their board posts and turn over the clinic facilities to the 708 Board. Harold Thomas, president of the Quad-City board, was unable to attend that meeting and Bilna served as chairman in his place.

During the special session, two local board members, George Moran and Thurl Jones, resigned and walked out of the meeting. A short time later, Dr. Theis, who had repeated assertions that "there are things that are wrong" which Staten must correct, suffered a heart attack. He since has been in St. Elizabeth Hospital in serious condition.

**Meeting Set Tuesday**—Reiske said the 708 Board is scheduled to hold its regular meeting at 7 p.m. next Tuesday in the courthouse at Edwardsville.

## Four Hurt in 23 Area Accidents

Three persons were injured in one crash and one person was hurt when a car hit a utility pole in the only injury traffic mishaps reported in the area since Monday. A total of 23 accidents was reported.

Three persons, two of them children, were injured about 3:30 p.m. yesterday when a car

was involved in a collision with a crane on Highway 162 one-half mile west of State Aid Route 35, state police reported. Pauline Ropac, 38, of 4538 Highway 162, driver of the car, was treated for a cut to the left knee, abrasions to the right knee and chest pains, was X-rayed and admitted for further treatment. Her son, David, 7, was treated for a small cut over the left eyebrow and released, and another son, Carl Ropac, 8, was treated for an

abrasion to the left hip and released. Paula Porter, 7, of 2403 Kirkpatrick Homes, an occupant of the Ropac car, was taken to the hospital and examined and released with no apparent injuries.

State police said they were unable to obtain details as to how the crash occurred. They said the Ropac car collided with a crane operated by Leroy W. Flaughner, 4102 Rode Avenue, and owned by Wilbur Waggon-

er Co. Flaughner was injured in a crash on Highway 162 at Fifth street, Madison, was injured in a two-car collision at Fifth street and McCambridge Avenue about 11:45 p.m. Tuesday, Madison police reported. Officers said the Lewis car was struck from the rear by an auto driven by Everett Flora, 1864 Edwardsville road. The Flora car was damaged in the left front and the Lewis car in the rear.

## Bernard Long Dunbar School Acting Principal

Bernard Long, a teacher of industrial arts and junior high school classes at Dunbar, became acting principal of Dunbar school effective Monday, Madison Supt. Raymond Drago announced. The school has kindergarten and fourth through eighth grades. Wade James, former principal, has become an assistant to Drago.

Long received a bachelor degree from Illinois State University, Bloomington-Normal, and a master degree in administration from the University of Illinois. He has been an employee of the Madison school system since 1939. He currently resides in East St. Louis.

With Roger Drake, elementary physical education teacher for the Harris, Louis Baer, Blair and Dunbar schools, being called to active military duty as a reservist, Mrs. Mary Ann Davis of Madison assumed these duties Monday. She has just graduated from Eastern Illinois University, Charleston. Drake also served as an assistant Madison high school basketball coach. That assignment has gone to David Hodges, Dunbar school assistant coach. The Dunbar assistant coaching duties will be handled by Marcus Spraggins of the Dunbar faculty.

Alvin Vender Hare, football coach, assumed the additional duties of athletic director Monday.

## Tuberculin Skin Testing Planned Here in February

Plans for tuberculin skin testing, first, fifth and ninth grade students and employees of all public, parochial schools in the Quad Cities area will take place Feb. 3, 4, 10 and 16.

The tuberculin skin test, administered to determine the presence of TB germs, is an annual project sponsored by Madison County Tuberculosis Care and Control Board. It is accomplished in the county schools with the assistance of Illinois Public Health Department's Division of TB Control and the Madison County TB Association.

## Smith Reports Income As Campaign Opens

In a disclosure of his income and financial status in his campaign for re-nomination as U.S. Sen. Ralph T. Smith of Alton told a news conference at Springfield yesterday that his net worth is between \$150,000 and \$200,000.

The Alton Republican said he earned \$18,588 from his law practice in 1968 and that his salary as state representative that year was \$13,000. He valued his Alton home at \$45,000 and his furnishings at \$15,000 and said he has stock holdings in 19 companies.

He estimated value of his two cars at \$7500 and his law office library equipment at \$10,000. He listed a \$21,000 liability as the balance due on a \$40,000 personal note. Smith called the conference in relation to his campaign for re-election in this year's election. He was addressed to the U.S. Senatorship by Gov. Ogilvie last September.

The weekly record was won by Kevin McGovern.

The weekly dance contest will be the next event and the music will be furnished by the "Fields of Mourning." It will take place Jan. 14 at 6:30 in the Long Lake fire dept. hall.

## Basic Hospital Facilities Here For 550 Beds

The new St. Elizabeth Hospital wing will increase bed capacity from 270 to 400 and it includes basic facilities to accommodate a later expansion to 550. Ted Ellerman, assistant administrator, told Madison Rotarians yesterday.

With wages making up two-thirds of hospital costs and efforts being made nationally to upgrade pay in the health care field, the hospital cost spiral may continue for another three years, he said.

Although basic charges here are \$40 a day, the cost of providing daily patient care nationally has reached \$62, Ellerman said. He noted that federal limits on Medicare fees cause a \$500,000 cost imbalance for the local hospital each year.

From 1950 to 1970, the yearly budget has risen from \$358,000 to \$675,000, with wages climbed from \$152,000 to over \$4 million for a present staff of 650, the club was told.

Health care is the fourth largest source of jobs in the U.S. and soon is expected to be exceeded only by recreation and education. It was noted: health represents 7% of the gross national product, compared to 4.9% for the automotive field.

While technology reduces the work force in some fields, costly new hospital equipment usually requires additional staff members, Ellerman said. He predicted increasing use of electronic devices and computerized data banks.

The seven-member St. Elizabeth Hospital governing board also increased from two to three this year, he said. Present members include Lyle F. Guley and Dr. John Rendleman.

Retiring President Richard Sussess presided.

## Robbery Charges Fled Against 2 Area Men

Two local area brothers, charged with armed robbery by LaSalle county authorities, were taken into custody yesterday on warrants supplied by local area police and were turned over to Madison county authorities last night.

Charged were William Claude Clark, 28, of the 1300 block of Granite Avenue, and Robert L. Clark, 36, of the 1300 block of Grand Avenue in Madison. They entered no pleadings in the magistrate court here, and bonds were set at \$25,000 each.

Police were told by LaSalle county authorities that the reported stickup occurred early on the morning of Christmas Day when a watchman for the Marathon Electric Co. at Earlville, Ill., was robbed of \$180.

## MORE ABOUT Levee District

Cahokia Diversion Channel between Highway 162 and the Horseshoe Lake control gates at an estimated cost of \$12,000. Installation of two additional 36-inch culverts at the southwest end of Horseshoe Lake at an estimated cost of \$10,000, and automation of the Horseshoe Lake Control gates on the Cahokia Diversion channel at an estimated cost of \$63,000.

Ebersold at first sought adoption of a resolution specifying these four projects be included among items of the regular budget which was filed in yesterday's meeting. But Tolar, while he said he was sympathetic to the need of the projects, objected to the wording of the resolution which stipulated that "the treasurer is authorized and directed to separate these monies from the General Fund monies appropriated for all other purposes."

**Would Tie Up Money**  
Tolar said this wording would set aside money for these projects regardless of the need of funds in other areas, "even though there might not be enough money on hand for some of the work already set out." Tolar said he was not criticizing the projects or denying their need, but said he believed the resolution constituted too much of a directive.

Levee Board Atty. John Sprague solved the problem when he suggested that Ebersold rephrase the motion to call for inclusion of the projects in the new budget when it is brought up for permanent adoption, contingent upon funds being available to do the work.

The new levee district budget shows substantial increases in labor and salary costs through all phases of operation, although some slight cuts in labor costs were effected in project areas where extent of the project work has been reduced.

Biggest jump in budgeted expenditures is listed for general maintenance purposes, the 1970 total for which amounts to \$371,150, compared to \$287,800 during 1969.

While the budget lists general maintenance salaries at \$170,000, the same as last year, it includes for 1970 an item of \$25,000 for "contract labor" which was not included in last year's appropriation. Last year's budget of \$15,000 for materials and supplies is doubled to \$30,000 this year and automatic equipment expenditures are set this year at \$15,000, up from \$2500 last year.

General maintenance expenditures also include \$15,000 for new garage equipment, compared to \$1000 last year, and \$25,000 for new equipment maintenance. Estimated expenses for building repairs is set at \$10,000, up from \$5000, and \$15,000 is provided for repairs to equipment and garage maintenance, compared to \$10,000 last year.

Anticipated expenditures for administration purposes show no increase in trustees' salaries, totaling \$9000, nor in the treasurer's salary at \$2000, but it raises salaries for board attorneys to \$13,000 from last year's \$7000. Clerical salaries are budgeted at \$40,000, up slightly from last year's \$38,000, and custodial salaries are unchanged at \$3000.

Overall budgeted cost of administration totals \$181,975, compared to \$147,175 in 1969.

**Engineering Cost Up**  
The budget for engineering purposes is set at \$29,250, up from last year's \$47,300, with all of the increase in only two items.

These include a new appropriation of \$15,000 for fees for consulting engineers, an increase of \$9000 over last year's \$6000 item for this purpose, and a new item of \$5000 for "new equipment."

New appropriations for projects operations, showing changes in totals and labor costs, are as follows:

Project 1—Cahokia Diversion Channel from the Bluffs to the river, \$18,100 total up from last year's \$15,100; \$18,100 is in maintenance labor, up from \$15,000.

Project 3—Section Two of Front Levee (partially abandoned from Mitchell to Merchants bridge, \$22,825 total, up

from \$12,275; \$15,000 is in labor cost, up from \$6000.

**More Contract Labor**

Project 4—Section Three of Front Levee, from Merchants bridge to Brooklyn, \$94,750 total, up from \$58,125; \$18,000 is for maintenance labor, up from \$2000, and \$75,000 is for contract labor on water company tunnel cleanup, up from \$55,000.

Project 5—Section Four of Front Levee from Brooklyn to Cahokia Creek, \$3050, up from \$1050; \$3000 is for labor, up from \$1000.

Project 6—Section Five of Front levee from Cahokia Creek to Southern Railroad dike, \$400 total, up from \$150, all for labor.

Project 7—Section 6 of Front levee from Southern Railroad Dike to Monsanto Avenue in Cahokia, \$58,700 total, up from \$50,650; \$58,700 total, up from \$50,650; \$58,700 in maintenance labor, up from \$24,000.

Project 8—Prairie du Pont creek diversion channel from the Bluffs to Cahokia chute, \$12,450 total, up from \$6450; \$12,450 of total in labor, up from \$6000.

The district's Project 9 which is another section of Front levee shows a labor maintenance budget of \$5000, a drop from \$17,000 last year, and an overall cost total of \$14,000, down from \$23,000.

Other major budget changes in project costs are listed for Project 11C for which total 1970 cost is estimated at \$89,250, up from the 1969 budget of \$35,600. The appropriation for labor this year is \$45,000, compared to \$25,000 in 1969. This project includes the north pumping station and sewer lines from Landsdowne ditch in East St. Louis to the river.

Labor costs in 1970 for Project 12, consisting of drainage facilities in Canteen township, are reduced to \$15,000 from \$33,000 last year, and labor cost of project 14 (drainage channel in Landsdowne of East St. Louis) are down to \$30,000 from \$40,000.

**Interest Cost Budgeted**

Appropriations for administration purposes this year include a new item of \$30,000 for payment of interest on tax anticipation warrants, while the

district's auditing cost, budgeted at \$14,000, and liability insurance, set at \$10,000, are set out as separate items on which separate tax levies may be made. These figures are included, however, in the general fund budget total.

The levee trustees Saturday also agreed to give the East St. Louis & Interurban Water Co. until Monday to notify the district whether or not the company wishes to install a new pipe inside one of the four concrete tunnels now being cleaned out in the riverfront levee, and which are to be sealed with concrete soon.

Engineers pointed out the district is working against time. Since the tunnels have been cleaned out, the levees would be vulnerable to a sudden rise in the river and would constitute a serious danger unless quick action is taken.

**Wallet Lost**

Roger Gillan, 1205 Kirkpatrick Homes, reported Wednesday he had lost a brown wallet with cards and a small amount of money.

## Madison to Seek Zoning Change on Bridge Property

Madison city councilmen voted Tuesday night to resubmit to the Madison County Zoning Board of Appeals a zoning change for a city-owned tract of land on the south side of West Chain of Rocks road, near the Chain of Rocks Bridge approach.

Mayor Stephen Maerz noted the city had been denied a land use permit last July for operation of a landfill.

He said the zoning change from residential will be sought for a tract located across from the old landfill area, and indicated that the city may seek to have the property utilized for a landfill if the zoning request is approved.

"If we can get this operation approved, we may be able to make this land pay for itself," the mayor commented.

**Reply on Pollution Letter**  
In other action, a letter was read from C. W. Klassen, tech-

nical secretary of the Illinois Air Pollution and Control Board, Springfield, replying to an Oct. 23 communication from Madison city officials, who sought state action to halt alleged open burning by the Hyman Michaels Co.

No explanation for the delay in replying to the city's letter was offered by the control board official, who said the firm has agreed to reduce the number of boxcars being burned by 25%, to immediately lessen air pollution.

Klassen further said the state air pollution authority is routinely monitoring the progress of the company's pollution reduction program. He added that all open burning by the firm should be eliminated by 1971.

Commenting that he is "certainly glad they are finally making some headway in this matter," Mayor Maerz declared, "I hope eventually that pollution reduction will reach 100%, which will please all of us."

He noted that a "gigantic bonfire was burning this morning, sending out clouds of dense, black smoke."

Continuation of a \$2000 surety bond with the Maryland Casualty Co. for Andrew Dubish, Madison humane officer, was approved by the aldermen.

The auto of Charles Patterson, No. 2 Iris drive, slid on the ice Wednesday afternoon when he drove onto a parking lot at Roderick's restaurant along Nameoki road and crashed into the right rear of a parked car belonging to George Peradotto of Pinckneyville.

## Two Radar Arrests

Two out-of-town motorists were ticketed on speeding charges Wednesday morning by Granite City police operating a radar unit in the 2500 block of Pontoon road. They were Shirley Morrison of St. Louis and Helen Sexton of Auburn, Ill.

## Hot Soccer Warriors Ice Up Contest, 4-1

Halfback Rich Lesko's long cross shot went into the 'nets' early in the second half, breaking the ice for the soccer warriors' scoring, as Granite City won 4-1 at Northwest of St. Louis Monday.

During the first half, the scoreless warriors saw Northwest's only shot on goal succeed, creating a 1-0 deficit for GCHS.

Coach Tom Wyrostek praised his warriors for "playing mighty good ball defensively."

We never allowed them to set up for shots."

Jerry Monahan made the winning point and assisted on both of Bob Galvan's icing goals. Jeff Boyer scored goal for the Warriors.

Granite City, now with an 8-3 record, 32 goals for and 11 against, visits Whitfield at 4 p.m. today.

CBC of St. Louis, which defeated the Warriors 2-1 earlier this season, will play at 4 p.m. Friday at the GCHS stadium.

### Summers Joining Cougar Cage Squad

Fredericktown, Mo., has been placed on scholastic probation and is ineligible for intercollegiate competition. Harry Galatin, basketball coach of SIU-SW, said this week. Critics have been assigning 13.5 points per game for the Cougars.

Gallatin said John Summers, a re-entry student who played his prep basketball at Madison high school, has become eligible at the start of the winter quarter. Kevin Schwartz, Alton transfer student, also has become eligible.

**Scheduling Mixup**  
Prather's Chiefs did not wrestle their Tuesday meet at Northwest of St. Louis because of a scheduling mixup.

## GC, VHS Returning to Dupo Cage Tournament

The GCHS Warriors and VHS Red Devils will play opening night games at the 1970 Dupo invitational basketball tournament Tuesday.

Venice will face Freeburg at 7 p.m. and Granite City will meet Dupo at 8:40 p.m.

Granite City is the tournament's defending champion, having beaten Jerseyville 78-69 in the finals last year.

Dupo finished third and Roxana was fourth. Triad won the consolation championship from Venice.

On Wednesday, it will be Jerseyville vs. Orchard Farm at 7 p.m. in another first round game. At 8:40 p.m. same time, the Venice-Freeburg victor will play Assumption.

The next evening, Jan. 15, the Granite City-Dupo loser will oppose the Jerseyville-Orchard Farm at 7 o'clock and the GC-Dupo victor will tackle the Jerseyville-Orchard winner at 8:40 p.m. Saturday at Dupo.

### All-Midwest Soccer Honors to 4 Cougars

Four soccer players from SIU-SW have been named to the All-Midwest team of the National Soccer Coaches Association.

The four are Jack Blake, outside right; John Howe, inside right; John Carenza, center forward; and John Denowski, outside left. Blake and Carenza received top-ranking. Howe and Denowski were rated fifth and fourth, respectively.

Selections were made by coaches belonging to the national association as a basis for future All-American selections. Fifty-five players were named, five for each position, with rating points assigned to each player.

The ratings will be compared with ratings of players from other regions in the process of selecting the All-American team.

Carenza led the Cougars with 20 goals. Blake scored nine, Howe eight and Denowski three during the 1969 season.

The Cougars were ranked sixth in the nation, losing only to St. Louis University in the quarterfinals of the NCAA championship tournament.

Other area players on the All-Midwest selection list are Steve Twellman, Michigan State; Walt Gaygren, Quincy; Buzz Denning, Michigan State; Dennis Meyer, Quincy; Rich Manna, Quincy; and Ed Wisniski, Eastern Illinois University.

### 'Y' Swimmers to Entertain Quincy

The Tri-City YMCA youth swim team will host the Quincy "Y" team in a meet Saturday starting at 1 p.m.

On Jan. 17, the local swimmers will compete at the Belleville "Y."

## Irresistible Venice Offense Will Meet Immovable Roosevelt Defense

The Venice Red Devils, who consistently kept the basket hot with the fourth highest scoring pace in this region, will play defensively strong Roosevelt of St. Louis at 8 p.m. Saturday at the Venice high school gym.

Roosevelt's 10 1/2 Riders have allowed 80.5 points per game, the eighth lowest average in the metropolitan area.

They have a 3-4 record, with a 1-1 mark in the St. Louis Public High League.

**Average 75 Points**  
Coach Bill Ohlendorf's Devils in compiling an 82 record have gathered in 38 rebounds a game. For the season, they are hitting 41% of their field shots and 65% from the foul line for a 75-point game average. Venice has held its foes to 58.4 per game.

The only higher scoring teams in this area are Assumption

with 78.6, Collinsville 77.9 and Alton 76.2.

Fessor Gray has led the Red Devil scoring thrust. A senior guard, he has quick moves and spurts of superb shooting accuracy from the field. His streak scoring divides to 24.2 points a game at 57% field and 58% free throw pace.

Also contributing major offensive punch is Cedric Gardner, the No. 2 scorer with 20.6 and leading rebounder of the team. He has 49% field and 54% from the stripe with 20.6 rebounds per game.

**Brothers Bolster Team**  
The Johnson brothers, Andre, a senior, and Doug, a sophomore, are the two forwards. Andre is the Venice team's No. 2 rebounder with 8.5 a game. He is considered to be a dependable player by Coach Ohlendorf, as Andre makes few mistakes, is effective on defense

and averages 10.6 points in scoring.

Younger brother Doug, lacking his brother's experience, has good jumping ability, hustle and shooting range. He makes ten points per game and is the No. 3 rebounder with 6.1 grabs a game.

Robert Coleman has been starting at the other guard spot with Gray. However, Jim Ohlendorf has seen a fair amount of the guard action. Both are averaging 4.0 points.

Coleman hit 39% from the floor and 53% from the charity stripe with 1.3 rebounds. Jim Ohlendorf is 40% from the floor and 54% from the stripe with 1.5 rebounds.

Ramon Moser, Richard Gannon, Harold Gannon, Herbert Buford, Larry Harris and Algie Smith have as a group contributed 1.3 rebounds and 5.7 points a game, hitting 37% from the field.

## Matmen Top Ritenour For 7th Dual Victory

Warrior matmen were 24-18 victors at Ritenour Tuesday, improving their dual meet record to 7-1.

All Bridgeman at 123 pounds gained a 3-0 decision over the Missouri defending state champion, Steve Trout. A late reversal earned Bridgeman the three points during the match's third period. Trout also lost to Bridgeman three weeks ago during the Ritenour invitational tournament.

Heavyweight Warrior Mark Mizerski needed only an escape during the last period of his match to tie another Missouri defending champ, Steve Schroeder, but Schroeder prevailed 6-4.

**Wilson Wins 25-0**  
Lenny Wilson, a 115-pounder, controlled his opponent for six near falls and one predicament but could not get a pin. Wilson won 25-0, a team high for the season.

Other Granite City victors: 98 pounds, Chris Harizel by forfeit; 107, Lenny Fuchs 3-1; 130, Fay Burcham 30-155; Frank Mehlich 9-7 and 175, Steve Ganz 10-2.

Match losers: 137, Cliff Gay; 145, Ray Gann; 165, Tom Kessler; 175, Larry Means; 185, Randy Kamuka. Serlich and Means were pinned.

The East St. Louis Flyers will visit the GCHS gym at 7 p.m. Friday.

Flyers who sparked in the holiday wrestling tourney here included: 185, William Moore, who took a second place, and the 107-pound champion, undefeated Calvin Jones.

At 11 a.m. Saturday, the Warriors will attend a quadrangular meet at Carl Sandburg high of Pekin, along with West Rockford and Alton Park.

At Ritenour while the varsity grapplers were squaring off, the Granite City junior varsity won 27-24 and the sophomore squad lost 28-11 to Ritenour.

**GCHS Jayvees Winners**  
By pin — 98, Harry Miller, 130, Tom Egan, and 165, Bruce Hawkins. By decision — 115, Mike Garland, and 155, Rick Wickham.

Jayvee ties: 123, Doug Wilson, 175, Mike Wilson, and 137, Rich Sakaj.

Loosing Jayvee matches: 107, Rich Serlich by decision, 145, Jim Porter by pin, and 185 and heavyweight by forfeit.

**Sophomore victors:** heavyweight, Craig Stephens by pin; 98, Tom Huff, and 137, Norris Elbert, by decision.

After Alton nipped Collinsville, the next night, the Redbirds received a similar one-point lesson, losing to Mater Dei of Breese 67-66. The Knights have a 6-5 record.

Good utility players, Craig Kampwirth and Mark Evans, were the Knights' main threat.

## Tough Assignments for GCHS, MHS This Week

Hardwood Trojans and Warriors both face tough assignments this weekend.

Granite City will have two chances to improve its 2-2 record in the Southwestern Conference, visiting Wood River (1-3) Friday and hosting first-place Alton (4-0) Saturday at the GCHS gym.

Madison will meet Mater Dei of Breese at the Trojans' gym Friday. All games will start at 8 p.m.

Wood River, with a 3-8 overall mark, last week gained its first conference win by dominating Edwardsville 82-62. Mark

Burris keyed the victory with 24 markers.

Alton shocked Collinsville last Friday 85-84. Don Koppenhaver paced the winners with 34. Ron Caldwell and Chris Mills are the backup scorers, adding strength at the boards.

After Alton nipped Collinsville, the next night, the Redbirds received a similar one-point lesson, losing to Mater Dei of Breese 67-66. The Knights have a 6-5 record.

Good utility players, Craig Kampwirth and Mark Evans, were the Knights' main threat.

## Twosome Bowling Tourney to Begin

A community family twosome bowling tournament, with teams of an adult and a youth, will begin bowling Saturday at Bowland. Entries will be accepted through Feb. 7.

Any adult 19 years or older, who is a member of an American Bowling Congress or Illinois Bowling Congress sanctioned league, may bowl with any girl or boy who currently is a member of a Youth Bowling Association league.

Scoring will be done on a pin-over-average basis.

Adult bowlers must be either relatives of their junior partner or bowl in Quad-City establishments.

Competition is separated into four divisions, with three age categories in each division.

Divisions are: girl with woman, girl with man, boy with woman and boy with man. Youth partner categories are: majors, 16-18 years; juniors, 13-15; and preps, 12 and under.

The twosomes may bowl any weekday and Saturday before 6 p.m. and Sundays by phoning in advance for a lane assignment.

Entry fee is \$2.85. For the preliminary round—twosomes must bowl three games on a pair of lanes any weekdays or Saturdays before 6 p.m.

Youth bowlers may bowl only once in each eligible division. Adult bowlers may bowl with as many different junior partners as they wish but may bowl only once with the same partner.

One winner and one of every five teams in each eligible division will bowl in the Affiliate finals round. Affiliate finals will be March 21 at a not yet designated establishment in Madison or St. Clair counties.

## Warriors Win 67-65 Despite Trojan Rally

Before Granite City's 67-65 win at Madison Tuesday, an observer from outside the Quad-City area not understanding the Warrior-Trojan cage rivalry might have favored the Warriors for a neat victory.

But, as winning coach Don Deterding said after the game, "We know we'll have a good game whenever we come here. The record books go out the window. This is my fifth game and I've never been involved in a runaway."

For this local classic, the advantage of the home-court sometimes doubles in meaning. The series often has ended victory streaks, but MHS had won nine consecutive games with GCHS when it was stopped in 1959. By winning Tuesday, Granite City extended its current victory string over Madison to five.

**45-30 Rebounding Edge**  
As expected, Madison had good control of the boards, taking a 45 to 30 rebounding edge, and had bursts of scoring which within seconds brought the Trojans into the game from being a distant "we try harder, No. 2."

A new look Warrior team allowed its defensive press to falter in the second half. Jeff Boyles continued his strong rebounding with seven carries but his best rebounding supporters were recent starter Mike DeRuntz with seven and Greg Jones with five.

High scoring Dave Melzer hit three of 16 field attempts, though he retained his foul shooting form, sinking six of seven one-pointers and taking five rebounds.

**Guards Aid Scoring**  
Guard Steve Harris hit four for four from the free throw line and seven of eight field attempts. Guard Tim Schwendeman hooped 11 points.

Moments before the first quarter break, the MHS mustle made under the boards. Oscar Hagler, put Madison ahead 12-11 with a ten-foot jump shot.

**Gregor to End EHS Cage Coach Duties**  
Edwardsville high school basketball coach Bob Gregor on Tuesday submitted his resignation as coach, effective at the end of the season. He plans to continue as head baseball coach.

During Gregor's previous four years as cage coach, the Tigers have had records of 11-12, 15-9, 21-7 and 24-4. Currently, the Tiger loss is 2-7.

**Deadline Is Saturday On Award Nominations**  
The deadline is Saturday for nominations for the third annual Southwestern Illinois Metropolitan Area Planning Commission awards program. Chairman of the program for Madison county is Harold E. Briggs, 201 Hillsboro, Edwardsville.

Accomplishments by volunteer individuals and organizations are to be recognized. Categories are individual accomplishment of a project to improve the area; subdivision design and development; commercial development; industrial development; or redevelopment; individual and/or group community service; outstanding development in or by a community; and individual accomplishment by an elected or appointed public official.

**TRAVELING BY AIR? CALL HOLIDAY SERVICE, 452-3131**

During the second period, the Warriors allowed only eight points. Madison Coach Larry Graham relates that his players could not find an open man.

GCHS sank 20, sparked by eight from Jones and six from Schwendeman, for a restful 31-20 lead into the locker room at intermission.

**Trojans Reduce Deficit**  
In the second half, Deterding notes that "they got us to play their game of running with the ball. They wiped out our lead. They're a streak scoring club. You can't run with them; you must slow them down."

Midway in the third quarter, the Trojan scoring streak was John Ervin. With five consecutive turns with the ball, he sank two layups and jump shots from five, 10 and 15 feet.

Madison's John Cannon put in all of his seven points during this quarter. Madison did not take a 45 to 30 rebounding edge, but the score board showed a threatening 46-44.

Melzer, who sat out the entire third quarter, opened the final period's scoring with an outcourt jumper. Tom Noel began his string of six foul points contributing to eight tallies in the final period.

**48-48 GS Advantage**  
After Boyles tossed for one point, Hagler made a tip on the ball's fifth bounce toward the basket by teammates. GCHS still was ahead 48-48, and when 4:13 remained on the clock, the Warriors had stretched the lead to 58-50.

The gap closed, and then opened to 65-57 with 1:22 left. Trojan points came, in order, from Charles Pogorelac two, Noel two and Chuck Dandridge two.

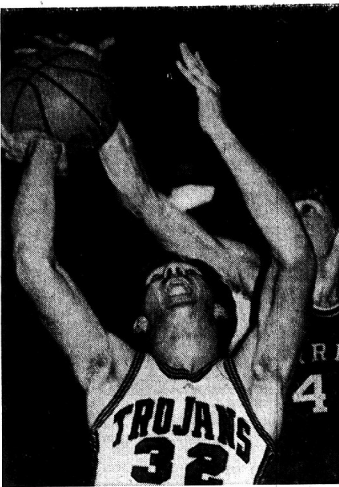

As the Warriors attempted to stall out the clock, Harris was fouled. He dropped in both free tosses when four seconds remained, making the score 63-63.

Using timeouts, Coach Graham mapped a plan for Noel to sink the final basket of the game with a jump shot.

Other Warriors tallied: Jones 10, DeRuntz seven, Boyles five, Tim Moore four.

Trojans scored: Noel 15, Joe Dozier 13, Ervin 12, Hagler nine, Cannon seven, Pogorelac seven, Dandridge two.

Rebounding the most for Madison were Hagler and Dozier, each ten, and Noel and Cannon each nine.

**THAT'S THE STUFF.** Tim Schwendeman (41) of GCHS stops a layup by Charles Pogorelac (32) of MHS Tuesday.

## Philetus Abernathy, 58, Dies This Morning

Philetus Abernathy, 58, of Sorento, a former Granite City, was stricken with an apparent heart attack at his home and pronounced dead upon arrival at the Greenville, Ill., Hospital at 5:40 this morning.

Today was his birthday. Born in Lutesville, Mo., he moved to Granite City at the age of 17 and went to Sorento six years ago.

The former resident was employed as a burner at General Steel Industries for the past 30 years. He was a member of the Boilermakers Union.

Surviving are his wife, Kathleen; three sons, Paul Thomas Abernathy of Edwardsville, Phillip Marion Abernathy of Granite City, and James Allan Abernathy of Sorento; five brothers, Lee Abernathy of Madison; Homer and Donald Abernathy both of Granite City; "Doc" Abernathy of Concord, Calif., and Orville Abernathy of Martinez, Calif.; and three grandchildren.

Funeral arrangements are given in today's obituary column.

### Illinois Power Sets Safety Record in '69

Illinois Power Co. has just completed its safest year. During 1969 about 3100 employees of the gas and electric utility worked more than seven million manhours with only 14 injuries severe enough that the employee was unable to perform his assigned job the day after the accident.

This accident frequency of two disabling accidents for each million manhours worked is a marked improvement over the five accidents for each million manhours worked in comparable utilities and seven per million manhours in all industry.

The best previous year for Illinois Power Co. safety since records were begun 25 years ago was in 1963 with 2.62 accidents per million manhours worked. Last year's frequency was 3.09.

## Development Unit Stressing Better Image, Chamber Told

Efforts of the Illinois Metro Industrial Development Corporation to improve the image of Madison and St. Clair counties were reviewed by Harold R. Fischer, president of the development group, at the January meeting of the Tri-Cities Chamber of Commerce Board Tuesday night at the Rose Bowl restaurant.

He listed 1970 goals as increasing prospective investors in this region, studying the area so that information is available to investors, and expanding the membership of the development corporation.

"The corporation has begun selling people about our real region through Illinois Metro E&S Reports publication," Fischer said.

"This is neither a cover-up activity, nor one that invents features for our area. Rather, the area that the corporation is showing is one that exists today.

"While the campaign is pointed toward investors, it has considerable relevance for the rest of us in the area. We, too, need to change our attitude toward our place of residence. Even those who should know better too seldom attempt to balance the bad with the good."

**Plant Sites, Utilities**  
Howard W. Colquhoun, Chamber manager and Illinois Metro East secretary, distributed copies of recent reports by the corporation, including a descriptive brochure, a map of available Quad-City industrial sites and a map of existing utility lines at industrial sites.

Fischer said the group is preparing to issue similar site maps for East St. Louis and Belleville. The corporation is governed by a panel of 35 directors.

In other business, Chamber President Albert H. Froenling appointed Dr. William Tudor of SIU-SW as chairman of the Health Committee.

**Accreditation Analysis**  
Clifton E. Blankenship was appointed as general chairman of a new Accreditation Committee which will develop a self-analysis of the local Chamber of Commerce, leading to national accreditation. He spoke of the project.

Those aiding Blankenship will be Fischer, evaluation of the or-

ganizational structure; Russell Crecelius, personal and staff operations; Leo H. Konzen, program of work; Bill H. Terrell, membership and public relations; Barry Loman, finance; Carl A. Randt, plant and equipment; and Carl E. Mathias, planning and development.

Dr. Felicia Koch, chairman of the Chamber of Commerce Women's Division, said a program for beautification of town thoroughfares is to be launched soon.

She announced that Robert Edmonds will be Granite City chairman, Mrs. Stephen Maras Madison chairman and Mrs. John E. Lee Venice chairman.

President Froenling noted that chairman of 1970 Chamber committees were to meet yesterday to discuss the year's objectives.

Vice-President Terrell reported on membership and Treasurer Loman submitted a financial report.

**Cooperation on Road Funds**  
Gene H. Sternberg, chairman of a special committee to seek an end to the federal highway fund freeze in effect here since July 1968, said good cooperation

is being received from all parties to a current attempt to train additional minority group representatives to fill road building jobs.

Success in arranging a training program of adequate scope would lead to the resumption of highway construction contract awards this spring, the state and federal governments have indicated.

The cutoff of funds affecting Madison and St. Clair counties is unique in the U. S.

**Gear Failure Shuts Down Part of Hot Strip Mill**  
The new 80-inch hot strip department of Granite City Steel Co. was shut down for two shifts Tuesday because of a gear failure in one of the roughing mills. It was reported by a spokesman for the company.

The shutdown involved about 60 men on the morning and afternoon shifts. Repairs were completed Tuesday.

### Rev. Moeller will Speak at Conference

Rev. Clifford Moeller, pastor of Grace Baptist Church, 2600 Edward street, will take part on the two-day program and conference for student ministers to be held Sunday and Monday, Jan. 11 and 12, at Second Baptist Church in Marion, Ill.

The conference will be headed by Johnny Bisagno, a former trumpet player in a dance band. He is also an author and evangelist and is pastor of the First Baptist Church of Del City, Okla., which led 35,000 Southern Baptist churches in membership growth for the past three years. Jim Ponder, Illinois Baptist evangelism director of Carbondale, will coordinate the two-day program.

### C. H. LeMaster, 62, City Street Employee, Dies

Charles Henry (Hennie) LeMaster, 62, of 2218 Illinois avenue, was stricken with an apparent heart attack while working with the Granite City street department, Tuesday afternoon. A co-worker called an ambulance, and Mr. LeMaster was pronounced dead upon arrival at St. Elizabeth Hospital at 3 p.m.

Mr. LeMaster and Frank Sturman had been assigned to repair a stop sign in West Granite and were in the 2200 block alley between Illinois and Missouri avenues doing a minor repair job when LeMaster was stricken.

A native of Dover, Tenn., Mr. LeMaster had lived in Granite City for 50 years. He was employed for 11 years as a laborer with the city street department and was a member of the Teamsters Local 525 and the Laborers Local 397.

His wife, Edna, died in 1961. Surviving are a son, Alan LeMaster of Granite City; three sisters, Mrs. Nannie Meadows, Mrs. Georgia LeMaster and Mrs. Thomas (Eddie Mae) Lyons; three brothers, Jack LeMaster and Rufus LeMaster all of Granite City and Leslie LeMaster of St. Louis; and four grandchildren.

Funeral arrangements are given in today's obituary column.

### Town & Country Gun Club Elects

George Gordon was elected president of the Town and Country Gun Club, Inc., 4200 Lake drive, at the annual meeting and election of new officers this week at Chuck's tavern, 181 Kaseberg lane.

Other officers include Steve Powers, executive vice-president; James Fuhrman, vice-president; operations, Charles Mueller, secretary; Richard Oram, treasurer; Elroy Paschada, executive range officer; Larry Glascock, chief instructor; Edgar Thomas, skeet range president; and Lee Christen, skeet range vice-president.

The club retained its original board of directors who are Herb Atkinson, Gaylon Woods, Claude A. Rutherford, Charles Parmlay and George Gordon. Officers are elected for a one year term of office.

The club has rifle, shotgun, pistol and archery ranges located on Route 162 or Buck Road with plans for pistol tournaments to start in April. Most events are approved by the National Rifle Association.

### 20 Attend Baptist Youth Conference

Twenty young people from Third Baptist Church, with their counselors attended a two-day youth conference in Springfield, Ill., over the weekend. Conference officials expected 800 teenagers for the conference but over 1600 arrived, representing Southern Baptist Church from throughout Illinois.

Those attending were Debbie Castleton, David Cedar, Pam Clark, Melanie Cox, Tim Elliott, Carol Gaudin, Janet Gaudin, Mark Gifford, Diane Greer, Gwen Guymon, Bob Moore, Linda Moore, John Johnson, Pat Johnson, Dave Ramsey, David H. Richardson, Joyce Richardson, Carla Watkins, Jeff White and counselors, Rev. and Mrs. Carl R. Watkins, pastor of Third Baptist Church, Rev. David T. Richardson, assistant pastor, Mrs. Iris Gaudin and Dave Ramsey.

### Two Plead Not Guilty To Attempted Theft

Called by a resident of Kirkpatrick Homes when two men were observed prowling around an auto parked nearby at midnight Tuesday, Granite City police arrested Bobby G. Lovins, 22, of 203 Ashbrook avenue, Venice, and Clark D. Gallagher, 18, of Dupo. Both were booked on charges of attempted theft.

The two men appeared before Judge Matosiem at 10:15 a.m. yesterday and pleaded not guilty. Property bonds of \$1000 and \$100 cash were set on each defendant. A hearing for Gallagher was set for Feb. 2, with Lovins requesting a jury trial on the same date.

### Dr. Spache To Speak At Teachers Workshop

Dr. George Spache will be the main speaker at a teachers' workshop on Jan. 24, to be held at the Edwardsville high school. The workshop will be devoted to the theme of "How to Help the Slower Developing Child in the Primary Classroom," and is being conducted under the auspices of Madison County Special Education Cooperative and Title III, ESEA, for the benefit of all Madison County teachers.

Dr. Spache, Professor at the University of Illinois is recognized world-wide as one of the most eminent authorities on the subject of reading. He has published numerous books and tests, and has had over a hundred articles published in the most prominent professional journals.

The workshop will be open to all interested persons. Further information may be attained by calling 618-656-8522.

### Parking Lot Mishap

An accident on the parking lot at Granite City high school at 8:15 a.m. Wednesday involved autos driven by John Supelich of Livingston, Ill., and Michael L. Cross of 2311 Logan street.

## Form Prepared for Homestead Exemption

The Division of Local Government Affairs and Property Tax, Illinois Department of Revenue, has prepared for use by supervisors of assessments and county assessors a form to be reproduced for use by taxpayers eligible to claim a \$1500 homestead exemption, the Taxpayers' Federation of Illinois reported today.

The applicant for such a homestead exemption must have reached the age of 65 on or before Jan. 1 of the assessment year, and the first such assessment year began Jan. 1, 1970.

The homestead exemption form application has the following features: (1) It is addressed to the Board of Review of the county in which the property is located (2) It provides for the legal description of the property or for the index number (3) The manner in which title to the property was acquired must be defined (4) The applicant states that he or she is 65 and that he has title to the property, is occupying it as a residence, and has not applied for a homestead exemption on any other property in Illinois (5) The owner must sign the application, giving his

## ID's Available Saturday

The final opportunity until May for Granite City residents to acquire a park district identification card will be from 2 to 5 p.m. Saturday at the Wilson Park ice rink, Harold Browne, park superintendent said today.

## Vandals Damage Auto

Phillip Boyer, 1561 Rodger avenue, reported to police yesterday that vandals caused \$100 damage to the right rear fender of his 1966 auto while the car was parked at his home.

address, and have his signature subscribed and sworn to by a notary public.

After the Board of Review approves the application, such approval must be confirmed by the new State Department of Local Government Affairs to be effective.

Then, it appears that the county clerk will have the responsibility of subtracting the \$1500 homestead exemption from the equalized assessed valuation of the real property of the taxpayer before he extends taxes thereon. The county clerk will require sufficient information from the Board of Review to enable her to make the subtraction, the Federation said.

## GC Nearly

In March and April of the current fiscal year, and with financing operations in the first three months of the new fiscal year which starts May 1 — a date well in advance of the collection time for 1969 taxes. "We won't be doing that until next July, so you really need a cushion of about \$300,000 at the end of April."

Mayor Partney was asked if the \$80,000 allocation of federal funds under the Civil Defense disaster program could not be used for general purposes.

Partney replied that it possibly could, since it is to pay the cost of sewer breaks, which the city has been financing with its general fund.

The mayor, who proclaimed the week before Christmas that "there is a Santa Claus," informed the council Monday night that the check for the \$90,000 has not yet been received but can be expected in a few weeks. He said the pre-Christmas announcement pertained to a voucher rather than a check.

The city is hopeful of obtaining \$700,000 from the federal government under the emergency disaster program, but the big question is "When?"

The treasurer stressed that all of the city's available income will be needed to meet payrolls, leaving little funds to pay other bills in the major departments.

**\$37,582 for Equipment**

Earlier in the meeting, before Rich's report, the council approved purchase of a new road grader and street sweeper for the street department with a total cost of \$37,582. Alderman Nunn, who insisted the equipment be purchased immediately with quick delivery on the grader and May delivery for the sweeper, had left for work before Rich made his report.

Alderman Parmley remarked, "I think Rich should have reported first." City officers are not called upon for reports until after council committee reports are heard.

Several aldermen commented they would not vote for issuance of tax anticipation warrants, as had been suggested by others when Rich completed his report.

Alderman Rutledge, a former Finance committee chairman, stressed the importance of responsible actions by the council. "And that's something we have not been having."

Council members also eyed the \$98,000 balance in the non-transferable interest and judgment account. City Atty. Scrogins warned that the city has judgments against it and other suits pending. He was asked to determine the legality of use of the account funds for general purposes.

## Madison, Venice Committees

## German Measles Vaccine Program being Planned

March of Dimes committees from Madison and Venice met Wednesday night at the Venice city hall to plan a county-wide program to administer German measles vaccine to small school children.

The committees have set a target date of March 1 for this project in Madison and Venice, if the vaccine can be obtained from the State Health Department at that time. It is estimated that there are 1500 kindergarten, first and second grade students who will receive the immunization in the two school districts.

If the committee can obtain enough vaccine, it is hoped to include all pre-school children and girls up to the age 13 in the program.

The State Health Department will furnish all vaccine, supplies and technicians, and local physicians have volunteered their services to oversee the day-long project.

Members of the Venice committee include Mrs. Louise Morris, chairman, William Baumgardner, William Edwards, health officers, Mrs. Ruth McDonald and Mrs. Nina Dittman, school nurses.

Madison committee members are Chris Paschoff, chairman, Louis Kraus, Mrs. Julia Voloski, chairman for the March of Dimes, campaign, and Mrs. Nina Dittman, school nurse.

The program for the measles vaccine is to include all of Madison county, which has an estimated 25,581 students who are eligible for the inoculation. Mayors in all the cities in the county have been alerted and

# SOCIETY

WED IN SOUTH. Mrs. David R. Slone, who was married recently in El Paso, Texas.

## Slone-Askew Wedding in Texas

Of interest locally was the wedding during the holiday season in El Paso, Texas, of Miss Roxanna Mae Askew, a daughter of Mr. and Mrs. Allen D. Askew of that city, and David Ray Slone, son of Mr. and Mrs. Lennie Slone of Granite City.

The candlelight ceremony took place at Grace United Methodist Church with the Rev. Don L. Forsman officiating at the evening service.

A gown of white brocade peau de soie was worn by the bride. It was fashioned with traditional long sleeves of Alencon lace and trimmed with seed pearls. The bride carried a Bible topped with a white orchid and surrounded by a cascade of white chrysanthemums.

Mrs. Jerry Paule, a sister of the bride, was matron of honor, and Miss Vicki Renee Finelli served as bridesmaid. They wore gowns of baby blue satin trimmed with blue velvet and carried white spider mums. A little flower girl, Kimberly Bowers, was in blue satin with puffed sleeves and a bouffant skirt. She held a white basket filled with blue flowers.

Richard Peyton was best man and Dan Jones, Bill Latham, Paul Slone, a brother of the bridegroom, Carson and Sidney Stuart, cousins of the bride, all of El Paso, served as groomsmen and ushers.

A reception was held in the church parlors after the ceremony. The newlyweds, both of whom are attending the University of Texas, will make their home in El Paso. The bridegroom, a graduate of Granite City high school, is a sophomore business major. The former Miss Askew is a candidate for a BA degree in all levels of education. She is a member of the Dormitory Council and of the Physical Education Majors Club.

For the wedding the bride's mother chose a pink knit suit, a feather pillbox hat and pink accessories, while the bridegroom's mother selected a jonquil yellow dress, and brown accessories. Both wore yellow cymbidium orchid corsages.

## Guild Holds Work Night

Sixteen members of the Evening Guild of St. Peter United Church of Christ attended the annual work night of the group Monday held in connection with the first meeting of the new year.

Mrs. Clarence Boettiger, president, was in charge. The project this year is the making of bed pads for the Hit Memorial Home in Alhambra.

Coming events announced included the annual congregational meeting and pot luck supper Jan. 14; the Women's Fellowship dinner Feb. 2; and the sausage supper sponsored by the Brotherhood Feb. 4.

Mrs. Howard Johannmeier served as program chairman for the evening, assisted by Miss Rosemary Kabureck. The theme was "Be A Brother."

After the meeting, refreshments were served by Misses Myrtle and Ann Soehring, Mrs. Pauline Schenk and Mrs. Jacqueline Little.

New hymnals purchased by the Guild were filed for the first time Christmas Eve. They were dedicated Dec. 28.

## Mrs. Dine is Guild Speaker

Mrs. Vivian Dine of Wilson school, a teacher of the educationally handicapped, was guest speaker Monday evening at a monthly meeting of the Evening Guild of St. John United Church of Christ.

The fellowship committee, Mrs. Helen Robertson, Mrs. Thelma Jacobsmeier and Mrs. John Rawlings, led the devotion service and were in charge of the program which dealt with special education.

Mrs. Pat Schulte, president, conducted the meeting and welcomed a new member, Mrs. Marian Hamilton.

Refreshments were served to about 15 members.

## Mrs. Rost's Elected President

An organization meeting of Women For Organized Labor was held Tuesday evening in the home of Mrs. Douglas Cook, 708 Twenty-eighth place.

The officers elected were: Mrs. Jacqueline Rost, president; Mrs. Laura Boyd, vice-president; Mrs. Jolene Myers, corresponding financial treasurer; Mrs. Joan Mains, corresponding secretary; Mrs. Ann May Allison, chaplain; Mrs. Mae Purdie, historian; Mrs. Tiny Cook, guardian; and Mrs. Donna Tanksley, Mrs. Betty Cantion and Mrs. Cook, trustees.

The next meeting will be held Feb. 3 in the home of Mrs. Rost, 2418 Adams street.

MISS PATRICIA ANN JOSHU. Her marriage to Ronald A. Briggs will be an event of the early spring, according to an announcement just made.

MISS JOYCE KAY HOCK, whose engagement to Paul J. Mills is announced.

## Mills-Hock Engagement

Miss Joyce Kay Hock and Paul J. Mills are engaged. The announcement has been made by the parents of the bride, Mr. and Mrs. Lawrence Hock, 829 W. Fifth street, O'Fallon, Ill. Mr. Mills is a son of Mr. and Mrs. Henry Mills, 2456 Hodges avenue.

Miss Hock, a junior at SIU-SW, is employed in the enrollment center there. Her fiancé, a graduate of SIU, is now in service, stationed at Fort Ord, Calif., where he is a stock control and accounting specialist. Wedding plans are indefinite.

## Whittle Club Begins New Year

Mrs. Vernie VonNida, leader of the Whittle By Whittle club, opened the Monday night meeting at the East Side Levee and Sanitary District building here with the Take Off Pounds pledge. Mrs. Rosalie Bronnbauer and Mrs. Jo Gipson, conducted weighing.

Roll call was taken by Mrs. Gladys Hurson, and Mrs. Janice Hildreth was crowned "queen of the week," receiving a crown and a basket of fruit. All present sang "Hail to the Queen."

First prize in a game, was shared by three members, Mrs. Gloria Bennett, Mrs. Hildreth and Mrs. VonNida.

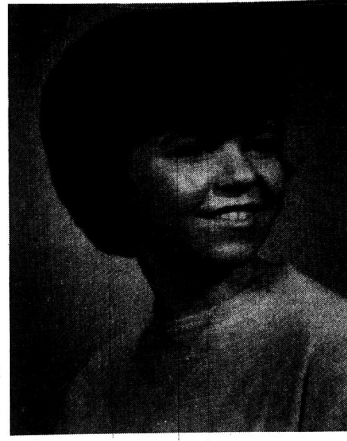

Souled weight loss predictions, which the members had made last year at this time, were disclosed. New predictions for 1970 were made by all members.

A discussion was held on the club's annual coronation Feb. 14 at the Venice recreation center.

Miss Ruth Stover closed the meeting with prayer. Mrs. Bennett, hostess for the evening, served refreshments.

Others present were Mesdames Billie Bagn, Judy Boyer, Mildred Boyer, Sharon Bridick, Doris Brookshire, Datha Ely, Stella Fisher, Mary Free, Iris Gauen, Boush Krause, Linda Miles, Jolene Meyers, Pat Pelo, Thelma Pryor, Donna Shaffer, Jerry Skaggs, Mary Speller and Betty Young and Misses Carol Gauen and Pat Stajduhar.

Next Monday night, Mrs. Dolores Townsend and Mrs. Elsie Mathenia will be the hostesses.

MISS LYNN MARIE WILLE. Her engagement to Harold D. Joyce is announced today.

## Joyce-Wille Engagement

Miss Lynn Marie Wille will become the bride of Harold D. Joyce. The engagement is announced by the bride-elect's parents, Mr. and Mrs. Raymond Wille, 2223 Lincoln avenue. Mr. Joyce's parents are Mr. and Mrs. Earl Joyce, 2017 Illinois avenue.

Both young people are graduates of the Granite City high school and Miss Wille is employed by the First Granite City National Bank. Her fiancé is employed in Hazelwood, Mo. Plans have not been made for the wedding.

## Historical Talk For Rotary Anns

Mrs. Helen Broadway and Mrs. Herman Wilkins were hostesses to the Rotary Anns Tuesday at the Rose Bowl.

After a noon luncheon, the program was given by a guest, Leslie Pehn of Bethalto, a past district Rotary governor, who entertained the group with a presentation on Illinois, dressed in a conical cap and carrying an old fashioned musket reminiscent of the early days of the state and of Madison County in particular.

Two guests were present, Mrs. Herman Steinberg and Mrs. Sara Dempsey, and the following members: Mrs. Lorraine Decatur, Mrs. Betty Mathias, Mrs. Lois Adams, Mrs. Mignon Abernethy, Mrs. Jessie Meng, Mrs. Maxine Anderson, Mrs. Delores Smith, Mrs. Dorothy Maer, Mrs. Jean Van Metre, Mrs. Donna Roberts and Mrs. Carma Froemling.

Prizes were won by Mrs. Decatur and Mrs. Mathias, and plans were made for the February meeting when Mrs. Maxine Anderson, Mrs. Dorothy Anderson and Mrs. Abernethy are to be hostesses.

BETROTHED. Miss Deborah Spahr, whose engagement to James Moore is announced.

## Moore-Spahr Engagement

Announcement is made of the engagement of Miss Deborah Spahr, a daughter of Mr. and Mrs. Louis Spahr, 22 Miami court, and James Moore, a son of Mrs. Marie Moore, 1531 Second street, Madison, and Roy Moore of Myrtle avenue.

The bride is employed in the Boy Scout office. Wedding plans are indefinite.

## Merger of Two Power Companies Poses Problem

Illinois Power Co. has reached no decision on divesting itself of gas operations to comply with a Securities and Exchange Commission order stipulating that granting approval for a merger with the Central Illinois Public Service Co.

The SEC in Washington gave its approval Monday for the merger of the two gas and electric companies, but added that both companies would have to give up gas operations.

Allen VanWyck, chairman of the Illinois Power Co. board, said at Decatur Tuesday that elimination of gas operations could result in increases in customer service rates and would hurt the company and stockholders through mortgages, interest rates and taxes.

Illinois Power Co. serves over 300 communities with gas and over 400 with electricity, including the Quad-Cities, while CIPS serves over 500 southern and central Illinois communities with electricity and about 200 with gas. If merged, the combined operation would serve about 75% of Illinois with gas and electricity.

VanWyck said the SEC was advised that the cost of divestment of gas operations would result in rates in both electric and gas rates. The service areas of the two firms overlap in some sections of the state.

Under the merger proposal, Illinois Power would acquire all the common stocks of CIPS in exchange for the common stock of IPC at a ratio of .65 shares

## Freeway Routing over Rte. 111 is Favored

Use of Route 111 in the vicinity of the Quad-Cities for a proposed north-south freeway extending from Rock Island to East St. Louis was favored during a public hearing held Monday evening at Edwardsville, attended by over 150 persons.

Statement on the routing by persons unable to attend will be accepted by the state highway department District 8 office at French Village until Jan. 16.

Three corridors were proposed, but the most acceptable one was championed as providing the greatest potential for industrial and commercial development as well as serving the

Southern Illinois University. It would start at Business Route 40 near Calokaka Mounds and proceed north on the east side of Route 111 to a point north of Route 270 near Mitchell and then go northeast, generally following Poag road to Route 150 west of Edwardsville and proceed north, close to Beithalto. The length would be 17 miles to be built at an estimated cost of \$80 million.

Another proposed route, consisting of 18 miles of roadway costing \$80 million, would start near Calokaka Mounds near Route 40 and run north on the east side of Route 111 to a few miles north of Route 270 and

then head northwest to join Route 3 passing Wood River and proceeding on into Alton to connect with the Alton Beltline at College avenue.

The third proposed route with 25 miles to cost \$50 million would start through central area, starting in the vicinity of O'Fallon and proceeding north to meet Interstate 55 west of Troy and go along I-55 north to Route 143 before going northwest in the vicinity of Beithalto.

Among the supporters of the routing along Route 111 and Poag road were the East-West Gateway Coordinating Council and the Southwestern Illinois Metropolitan Area Planning Commission.

### Dinner Feb. 5 to Honor U.S. Sen. Ralph Smith

A dinner in honor of U.S. Sen. Ralph T. Smith (R-Alton) will be given Feb. 5 at Augustine's Restaurant, Belleville, by a group of supporters who said the honor of having a senator from this downstate area should be recognized.

John M. Olin is chairman and Henry D. Karandjoff, Granite City, is among vice-chairmen serving on the committee making arrangements.

Costing \$145,000 for an access road and remodeling buildings at the SIU-SW campus were approved this week by Gov. Ogilvie.

### MORE ABOUT Capt. Dutko

Chief Dutko, 42, was the area's first law enforcement officer to receive formal training as a police dog handler when at the Madison department elected to add a trained German Shepherd dog to its 12-man force.

The police officer and "Sir Kelly," the Madison department's patrol dog, were trained in unison at Pomme de Terre Training Center, Mo., and for a four-year period the large animal and the officer were almost constant companions.

Chief Dutko was selected as police dog handler, officials said, because he frequently doubled as the Madison humane officer and was considered to be capable with animals.

Navy Veteran He was born and reared in Madison and graduated from Madison high school in 1945. He is a veteran of U. S. Navy service and a member of Madison's Amvets Post 204 and Vets-Madison American Legion Post 302.

Also active in the Boy Scouts, he currently serves as secretary-treasurer of Cub Pack 21 and is assisting with a volunteer post, sponsored by the Madison Lions club and police department.

As part of his training, Chief Dutko has attended instruction courses taught by the Federal Bureau of Investigation specifically geared to riot control measures and general investigative procedures.

He is married to the former Miss Sara E. Kestler, formerly of Granite City. They reside with their five youngsters at 1808 1/2 St. Charles. Their children are Cindy, 14 years, Kelly, 13, Rob, 11, Frankie Scott, nine, and Becky, six.

No immediate changes in the Madison police department are contemplated by Chief Dutko, who noted that he planned shortly to discuss with Mayor Maerz areas where new ideas may update services.

Special Police Officer Although officially a newcomer to the Madison police department, Probationary Patrolman Thomas E. Voloski has served with the department's special police squad the past 12 months.

He and his wife, Dorothy, and their three children, a son and daughters, Sharon, Lee and Karen Ann, five, and son, Thomas Walter, 2½ years, reside at 1815 Sixth street.

Voloski, 28, served with an artillery unit in the 101st Airborne Division from 1963 to 1965. He is a native of Madison, attended local elementary schools, attended Assumption high school for two years and graduated from Madison high school in 1959.

For the past six years, he has employed as a keeper in the Blast Furnace Division of Granite City Steel Co.

Ice Causes Crash Icey ruts in the 2300 block of Adams street caused the auto of James O. Labe, 712 Twenty-third street, to slide into a parked car yesterday afternoon. Labe said he was trying to avoid a car backing out of a driveway when his auto slid into the parked car of Ben Bargiel, 2332 Adams street.

## State Collecting Less Than It Is Authorized to Spend

Although Illinois state government revenues have increased sharply, they are not up to the rate of expenditure authorized by the General Assembly, Michael J. Howlett, state Auditor of Public Accounts, said today at a luncheon meeting of the Governmental Affairs Committee of the Chicago Association of Commerce and Industry.

Howlett said the state government's fiscal condition still calls for austerity, despite speculation that the new income tax would result in a surplus.

"We are not collecting at the level for which we appropriated," said Howlett. "Our revenues into the General Revenue and Common Schools funds are running about \$47 million a month higher than last year and we are spending \$27 million a month more than last year—but we are collecting \$21 million a month less than the General Assembly authorized to be spent."

"Illinois has a new state income tax, 2½% on personal income, 4% on corporate income. We have just raised the motor fuel tax from six to 7½ cents, raised vehicle registration fees, increased the liquor tax from \$1.52 to \$2.02 a gallon, the beer tax from six to seven cents a gallon, the cigarette tax from 9 to 12 cents a pack and the hotel and motel tax from 3½ to 5%."

"With all these increased taxes, we collected an average of \$302 million a month for the General Revenue and Common Schools funds during the first six months of fiscal 1970. The legislature appropriated about \$2.6 billion for the year, an authorized expenditure of about \$223 million a month."

"On Dec. 12, the total balance in the General Revenue and Common Schools fund was \$407 million, including \$10 million from the motor fuel tax fund. That's a low balance. Aid to Schools, Cities."

"Since then, accumulated revenues again have carried the balance to \$141.7 million, and the common schools and the motor fuel has been repaid."

"But every month in the first few months of fiscal 1970, we distribute \$65 million to the common schools and to Illinois municipalities as routine items."

"We have embarked upon the biggest state taxing and spending program of all time. But, more than ever, we need to keep an eye on what's in front of us, and a foot on the brake. The people are giving the government more money, but vigilance and controls are more necessary than ever."

**Wants Flexible Constitution**  
The auditor said the new Illinois Constitution now being prepared, subject to voters' approval, should be more flexible than the old. It should give the legislature more power to run the state, fix tax rates and government debt limits, and provide more home rule, he said.

"The delegates who are preparing a new constitution for

our approval in 1970 have no better way of knowing what we need than we do now."

"We should try to write a constitution that will be flexible enough for the future no matter what it brings."

**Tax Burden Heavy**  
The future of Illinois government should not frighten us. But we must keep it under scrutiny and under control. Taxes—federal, state and local—now take more than a third of all we earn. It is up to those of us who pay the bills to see that the money is well spent."

"We had better alert the people of Illinois that we must have efficiency—we must have economy—in government."

"We must decide what jobs the government should do and what it should leave alone, because the free enterprise system cannot bear a greater burden of taxation than it is carrying now."

**2 Charges; Fined \$75**  
Pleading guilty to charges of a driver's license violation and a muffler violation, Larry Skaggs, 2713 Washington avenue, was fined a total of \$75, including costs, in magistrate's court Monday. Skaggs was ticketed at 1 p.m. Sunday in the 1900 block of State street.

**Stop Sign Violation**  
Booked on a charge of disobeying a stop sign at 18th street and Delmar avenue at the 9:45 a.m. Tuesday, Madelyn S. Cook of 154 St. Paul drive was told to appear in magistrate's court by Jan. 28.

### St. Stanislaus Lodge® Installs New Officers

St. Stanislaus Lodge, PRCUA 1004 held an installation of officers in connection with the first meeting of the year this week. The meeting was held at the Polish Hall and the oath of office was administered by Rev. Engelbert Bienek, chaplain.

The staff includes Sigmund Mulnik, president; Tom Gordon, vice-president; Anthony Lapinski, treasurer; Bob Pare, recording secretary; John Kurosz, financial secretary; and Joseph Lupa, sergeant-at-arms. The following appointments were made: Stanley Banaszak, Joseph Dobrowski and Michael Bond, auditors; Joseph Lupa, delegate to the Polish Congress; Joseph Lupa; Tom Gordon, Richard Mendez and Norman Owca, bar committee; Edward Bank, chairman of improvements committee; and Andrew Besserman and Bob Pare, activities committee.

Announcement was made of a dance to be given by the lodge Jan. 24 at the hall, 826 Greenwood street, when music will be provided by the Michael Bank Trio. Rev. Bienek congratulated the members on the hall improvements, and he was presented with a gift of appreciation, together with the good wishes of the group on his retirement as pastor of St. Mary's Catholic Church.

After the closing prayer led by the chaplain, refreshments were served.

### River Festival Fund Leaders Facing Jan. 14 Deadline

Incorporators of the Mississippi River Festival, Inc. have set out to find some money before Jan. 14.

The non-profit organization formed last month is trying to enlist private financial support to continue the Mississippi River Festival on the southwestern campus of Southern Illinois University.

Personal contact with all citizens in the two-state metropolitan area is going to be impossible in the time limitations of the drive so, according to Dr. Albert W. Triani, one of the incorporators, citizens are invited to send gifts to the following address: Mississippi River Festival, Inc., c/o Chancellor's Office, Southern Illinois University, Edwardsville, Ill. 62025.

They are trying to raise \$75,000.

At its December meeting, the SIU Board of Trustees rejected a proposed contract between SIU and the St. Louis Symphony for a 1970 festival season. The solicitation of private funds is the result of that action.

The fund drive is successful, the

non-profit corporation plans to petition the SIU Board for reconsideration and partial underwriting at its Jan. 16 meeting, slated for the Southwest campus.

Last year's six-week Festival featured the St. Louis Symphony and a dozen popular acts in a series of programs staged on the SIU Edwardsville campus.

Gifts to the corporation are tax-deductible.

### Dr. Wilkins to Play On Culver Alumni Team

Dr. George Wilkins of Granite City will return to the hardcourt at Culver Military Academy Saturday night.

A 1959 graduate of Culver, he will be on a team of alumni challenging Culver's varsity which is undefeated in five games so far this season. This will be the 23rd annual contest with the old-timers versus the cadets and Wilkins has often been a member of the returning alumni team.

When he was a student at Culver Dr. Wilkins was awarded athletic certificates in baseball, football and basketball and was a member of Cum Laude scholastic society. He resides with his family at 1204 Twenty-seventh street.

### Rotarians Hear Talk By Governor Nominee

Lamont Heidinger, governor nominee of District 607 of Rotary International, was introduced by George Wilkins, as the featured speaker at Granite City Rotary Club meeting Tuesday, at the YMCA.

Heidinger, who will take office July 1, is a 23-year member of the Edwardsville Club. His employment is with American Insurance Association of greater St. Louis area and he is a former FBI agent.

In his speech, Heidinger urged the incoming officers of the local club to start plans for their year and request a review of the club's activities and projects, held in previous years.

He further stated, "Look beyond the local club and to the national and international groups to upgrade your attempts in having a top club. I also suggest you recruit new members—especially the young men of the community to take office and assist with club activities."

Heidinger listed three areas of service most important to the local club to start plans for their year: Club service, with members working for the good of the club; Community service; and International service to become acquainted with clubs in other parts of the world. He stressed that one good project in each area is more worthwhile than trying to conduct several programs without success.

Carl Mathias, president, presided at the business meeting and announced a district conference will be held March 21 in Galesburg, Ill.

Other business included the donation of \$75 to the second Youth Conference to be held at the "Y" next Monday, to be attended by students from the Quad-City high schools.

### Rules State Can Shift Funds to Back Loans

Illinois Attorney General William J. Scott this week proposed a plan to help solve the current financial crisis of the Chicago board of education and certain other Illinois school districts caused by the tight money situation.

He recommended that State Treasurer Adlai Stevenson shift additional state funds to Illinois banks provided they use the funds to purchase school tax anticipation warrants. The warrants could, in turn, serve as collateral from the banks to secure state deposits, he said. Scott told Stevenson, "As treasurer of the state, you can legally deposit general state funds such as those generated by the new state income tax with local banks which could purchase the Chicago school board tax warrants."

Scott said several leading bank officials are willing to handle such a transaction as a matter of civic interest and would hold their cards for the service to a minimum.

### VA Training Program For Clergy is Set

Applications from clergymen for the Veterans Administration's third clinical training program to begin on July 1 are now being accepted. The clinics will be held at VA hospitals at Bedford, Mass., Houston, Tex. and Martinez, Calif.

There are openings for stipended and non-stipended training positions. The program varies from nine to 12 months. The clinical training provides study in depth of the experience of sickness and injury in order that chaplains may make maximum contribution to the healing process.

Basic qualifications are an arts or science bachelors degree and a bachelor of divinity degree, or equivalents. Application deadline is March 1, addressed to: Director, Chaplain Service, Veterans Administration, Washington, D. C. 20462.

### Burglars

door and cut copper pipes leading to the kitchen and bathroom sinks and the gas furnace. All electrical wiring in the basement was ripped out, with the thieves also tearing holes in the bathroom floor to rip out the stolen items was not clear.

Thieves who gained access to the yards of the Owens-Ilinois Paper Products Co. in Madison stole brass machine parts valued at about \$2000 and also took the wheelbarrow they apparently used to haul the loot to a car or truck, Madison police reported Monday.

Charged with Burglary  
Daniel Ray Tubbs, 17, of 2825 Maryville road, pleaded not guilty in the court of Judge Johnson at 10:30 a.m. Tuesday to a charge of burglarizing the home of Mrs. Ruby Colman, 2219 Edna street, between Dec. 22 and Dec. 27.

The youth waived a preliminary hearing and was bound over to the grand jury. Property bond was set at \$5000. Tubbs was released to the custody of a sheriff's deputy immediately following the hearing.

Granite City Police Detective Gerald Wilson said the charge against Tubbs stemmed from a burglary at the Colman home, which occurred during the homeowner's absence Christmas week.

Missing items included two men's watches; one woman's watch; two rings; three infant rings; assorted costume jewelry; \$23 in change; four girls' slacks; assorted bottles, liquor and bed clothing. Estimated value of the stolen items was in excess of \$1500.

Tubbs was arrested at 10:45 p.m. Monday at an apartment in the Kirkpatrick Homes. Two other suspects, involved in the theft, currently are under investigation, police said.

**Theft Charge Filed**  
A charge of theft under \$150 was filed against a truck driver Monday, following an incident at a loading dock at Granite City Steel Company's north plant in which a canvas tarpaulin and tie ropes were stolen.

Beryl Dean Downey, 27, of St. Clair, Mo., a driver for Jones Trucking Co., whose truck was parked near GCS Dock 43, was charged with stealing the tarpaulin from a truck owned by P. J. Hamel Transfer Co., St. Louis. He pleaded not guilty to the charge.

L. C. Smith, 43, of Edwardsville, driver for the Hamel firm, reported the canvas cover, stamped with his employer's name, was missing from the vehicle when he returned from the dock office. Smith said he saw the tarpaulin on Downey's trailer truck which was pulled up behind his vehicle.

Taken before Judge Mattoon Monday, Downey entered the not guilty plea to the theft and bond was set at \$200 cash, returnable Feb. 2. He was released on payment of the bond later the same day.

1962 Auto Stolen  
Theft of his 1962 green two-door auto parked at the rear of 1339 Twentieth street about 6 p.m. Wednesday was reported to police by Glen Edleman, 2825 Maryville road.

A silver ring, set with a garnet and emerald, valued at \$24, was stolen from the gym locker assigned to Thomas Townsend of Rural Route Two.

## Overheated Furnace Blamed for \$7000 Fire

An overheated basement coal furnace which probably ignited wooden areas adjacent to it resulted in a \$7000 fire at the home of Rev. and Mrs. Henry W. Chromister, 2434 Ohio avenue, at 12:05 a.m. Wednesday.

Granite City firemen summoned to the scene spent more than two hours fighting the blaze that caused an estimated \$5000 damage to the four-room frame house and \$2000 damage to contents. The family had completed a three-room remodeling project in the basement area just before Christmas, it was learned.

Mrs. Chromister and a 14-year-old daughter, Pam, awakened to dense smoke and flames shooting through floor vents. They escaped from the house to a neighbors home to call for aid.

Rev. Chromister, pastor of the Full Gospel Tabernacle on Illinois avenue, also is employed in the Mason yards of Terminal Railroad and was at work at the time of the fire.

The family now is residing in the Mason yards camper trailer at the home of their son-in-law and daughter, Mr. and Mrs. Gus Gausepohl, 2532 Chermack street. Few of the Chromister's possessions can be salvaged, a daughter-in-law said today.

## Williams' Petitions In Senate Race Voided

The Illinois Electoral board ruled Tuesday that nominating petitions filed by W. Dakin Williams of Collinsville as a candidate for U. S. Senator in the March 17 Democratic primary were improper because a large number of the signatures apparently were duplications.

The board—made up of top state officials including the governor, secretary of state, attorney general, state auditor, Republican state chairman and a Supreme Court justice—ruled out 244 of 5269 signatures on Williams' petitions and held that about 675 other signatures also were "suspect" and therefore could not be counted. Williams needed 300 authentic signatures.

Following the hearing, Williams was quoted as saying he would not appeal the decision.

As a result, Adlai E. Stevenson III, now state treasurer, will be unopposed for the Democratic nomination as U. S. senator. The post now is held by U. S. Sen. Ralph T. Smith of Alton, who was appointed by Gov. Ogilvie last September. He is seeking re-election on the GOP ballot.

Objections to Williams' petitions were filed by Terry Francis of Granite City who said he took the action as an independent attorney. He contended that some of the sheets "have been written entirely or substantially with the same hand." Most of the challenged signatures were on petitions circulated in East St. Louis.

## Planning Starts for Jaycee Rodeo Event

Granite City Jaycees met last evening to discuss preliminary plans for the "International Championship Rodeo," scheduled for the Tri-City Speedway on July 18-19, under Jaycee sponsorship.

Committee heads were appointed by Jaycee President Stanley Noe, who announced a special meeting of all chairmen will take place Sunday at the clubhouse.

## Elderly Taxpayers in Rush For 1970 Assessment Cut

More than 100 elderly persons seeking applications for the \$1000 real estate assessment reduction allowed under a new state law for the 1970 tax year appeared at the office of Granite City Assessor James Barton on Monday, the first day the new forms were made available.

Barton said the rush of applicants indicated a high interest in the new law under which a \$1000 valuation cut is allowed to persons over 65 who own real estate property and who occupy it as a residence. The assessor's office is providing full service for completion of application forms as a convenience to the elderly taxpayers so they will not have to make a trip to Edwardsville to file the applications with the board of review.

One problem developed in a number of instances because applicants appearing at his office did not bring with them a warranty deed for the property involved. Barton said this requirement had not been fully explained in the past and as a result it was impossible to complete papers for these applicants.

However, Barton said, his office will send applications to persons who are unable to make the trip downtown and who are unable to climb the flight of steps to the second floor assessor's office at 1904 Delmar avenue. Applications will be mailed at the request of the applicant and a representative of the assessor's office will call for the application, witness the fact that the applicant has a warranty deed and notarize the application, Barton said.

**Review Board Must Act**  
Barton's office then will refer the completed applications to the board of review which must give final approval to the applications and authorize the reduction in the 1970 property assessment.

Township assessors will make their regular assessments for the 1970 year and the reductions will be made after the local assessment books are sent to the board of review in late summer or early fall. The valuation cut will be reflected in the 1970 assessments on which tax bills will be based for collection in 1971. The reduction will not be reflected in tax bills to be paid this year.

Barton said a similar program is planned in effecting the elimination of household furnishings and one auto in the

personal property assessments to be made next spring. Applications also must be filed to obtain that reduction. The personal property assessments are not made until spring, however, and procedure for seeking the assessment elimination will be announced later, Barton said.

The assessor pointed out that applications for the real estate assessment reduction and the elimination of furnishings and one auto for each family will have to be made on an annual basis as each new assessment is made by his office.

**GC Council Oks \$60,966 Payroll, \$32,935 Bill List**

A half-month payroll of \$60,966 and bills amounting to \$32,935, including \$12,810 for sewer repairs, were approved by Granite City council members Monday night.

Major items on the bill list were \$4300 for street lighting in December and \$1882 for December rental on 407 fire trucks, along with \$5510 paid to the Illinois Municipal Retirement Fund and the city's 11,575 payment of the city payroll for employee retirement, and \$966 paid for social security for the months of October, November and December.

Included on the bill list were payments of \$3351 to the local engineering firm of Sheppard, Morgan & Schaub for services in connection with the \$3,000,000 storm water sewer system and \$639 paid to the city's engineering firm of Research Planning and Design Associations for services in November.

Another payment authorized by the city was \$924 dues for 1970, up 10%, paid to the Illinois Municipal League.

**Larger Bond for Treasurer**  
Bids will be sought for a larger bond for City Treasurer E. E. "Pat" Rich. Last year the bond was in the amount of \$50,000, but under a new state law, the assessor is to increase the population by the latest census and will amount to \$120,219, Rich said.

Mayor Scroggins questioned the amount, which was based on the 1960 census. He pointed out that while the city never did have its special census certified, the population count of two years ago set the figure at 39,459 instead of the 1960 total of 40,873. He said a legal opinion would be needed to determine if the lower figure is official.

Council members, although pressed for funds, authorized a call for bids for six new police cars to replace 1967 and 1969 models with high mileage.

On the credit side, the city was advised of payment by Granite City State Bank of an amount of \$32,154 for installation of two inverted siphons for the city's new storm water sewer system.

The siphons were installed at 24th street and Washington avenue and at 23rd and Monroe streets where the storm water lines go under the steel firm's water lines through the 24th street parkway from the Chain of Rocks canal to the company's reservoir at 21st and Monroe streets.

**Review Accident Bill**  
Referred back to City Atty. Scroggins for further study was a letter in which the attorney recommended the city not pay a \$71 repair bill for an auto damaged Christmas Eve in an accident with a city cinder spreading truck that made a right turn from a left lane of Nameoki road at St. Clair avenue. Scroggins said there were differences in accounts of the mishap.

The bill was submitted by Mrs. Peggy Clubb of Toledo, Ohio, owner of the car.

Also referred to Scroggins was a letter from Mrs. H. L. Lucas, 2419a Benton street, who requested payment of a \$33 hospital bill and \$6 doctor bill for treatment resulting from a sidewalk fall Nov. 1 along 25th street near Cleveland blvd.

**Collide in Venice**  
A car driven by Evelyn D. Sampson, 2168 Orville avenue, was damaged in the rear about 5:15 p.m. Monday in a collision involving a car driven by Kenneth H. Thompson of 9 Jones Park drive, Venice police reported. The mishap occurred in the 400 block of Broadway, officers said, when the Sampson car stopped for traffic and was struck from the rear by the Thompson car. Police said the Thompson car was undamaged.

**Vandals Slash Seat**  
E. W. Juneau, 2856 Delmar avenue, reported at 8:30 a.m. Tuesday that vandals smashed the rear seat of his 1969 auto while the vehicle was parked on Monday evening at 21st and State streets.

## March of Dimes Bowling Tournament Set Jan. 18

The "March of Dimes Bowling Tournament," a benefit event conducted annually in Granite City until recent years, will be revived this month in conjunction with the 1970 March of Dimes campaign, according to Mrs. Enyale Alford and Mrs. Ann Burton, tournament co-chairmen.

The cash awards tournament for league bowlers will get underway Sunday, Jan. 18 at the Bowland Lanes, 3030 Nameoki road and Brunswick Tri Mor, 3701 Nameoki road. The contest will run through Saturday, Jan. 24.

Additionally, Granite City youngsters may contribute 25 cents to the March of Dimes drive and compete for trophies in a special "Junior Bowlers Tournament" to be held Saturday morning, Jan. 24, at both bowling lanes.

First, second and third place trophies will be presented to winners in both the boys and girls division. Mrs. Burton explained. She noted that junior and pre-age bowlers are prohibited from competing for cash awards.

March of Dimes volunteers will be on hand at both bowling lanes starting Sunday, Jan. 18, and continuing each evening that week to sign up league bowlers for the adult contest, the co-chairmen report. A \$1 entry fee is contributed toward the fund-raising drive by each contestant.

Bowlers may enter the contest the equivalent number of times they compete in league play during the week-long period, but may only collect a single cash award—the highest amount they achieve.

League members bowling at Tri Mor and Bowland Lanes are eligible to compete for cash prizes in the men's and women's divisions.

Winners will be determined on a handicap of 75% of the difference between 210 and the bowler's actual average, Mrs. Alford said.

Prize money in each division is: First place, \$100; second place, \$50; third place, \$25; high scratch single game, \$12.50 and high scratch series, \$12.50.

Names of the winning bowlers will be published in the Press-Record and posted at the local bowling lanes prior to presentation of awards.

Mrs. Patricia Blankenship and Mrs. Dolores Zevallos, co-chairmen of the 1970 Granite City March of Dimes campaign, said today that proceeds from the bowling tournament will help augment the local community's donation quota and urged all bowlers to take part in the contest, thereby assisting in the fight against birth defects—the March of Dimes primary objective.

Related events, including the Mothers' Porchlight March on Sunday, Feb. 1, distribution of canisters to local business firms and activities involving school children, currently are being planned by the drive coordinators.

The Rotary clubs of Granite City and Madison currently are making plans to observe the 65th anniversary of Rotary International, Presidents Carl E. Mathias and Richard Suess report. Nearly 14,000 clubs in 147 countries will mark the occasion Feb. 23.

The worldwide service organization, first service club for business and professional men, was organized by Paul P. Harris, a Chicago lawyer originally from Vermont.

As a cure for loneliness in the big city, he proposed his idea for a club to three other men—a coal dealer, a mining engineer and a tailor. Because subsequent meetings were held in members' offices in rotation, Harris suggested the name of "Rotary."

First meeting of the Chicago Rotary club was held Feb. 23, 1905, and by August of that year the club had 21 members, most of them men from small towns. By 1912, there were 50 Rotary clubs and 5,000 Rotarians, and the movement had spread to Canada, England, Ireland and Scotland, Mathias and Suess noted.

Today, there are more than 65,000 members who wear the distinctive cognized emblem. They are engaged in service projects at every level, from providing local youth centers to helping fellow Rotarians in need of pure water.

The Rotary Foundation, to which individual members and clubs contribute, supports an extensive program of overseas scholarships and fellowships for college-age students, technicians and artisans—plus a group study exchange program enabling young business and professional men to spend several months studying business and social customs in countries other than their own.

## GC Kiwanis to Attend Drug Abuse Workshop

Ed Moore, president of the Kiwanis Club of Granite City, announced last night that districts are to meet at SIU-SW campus this Saturday for the Drug Abuse Workshop, sponsored by the Kiwanis Clubs throughout the United States and Canada as a "major emphasis" program in community service for the current year.

The workshop is expected to attract from 300 to 500 school educators, officials and law enforcement officers. Operation Drug Alert is a program designed to inform the public, parents, teachers and students at all levels on the extent, kinds and dangers of drug abuse.

Percy Shue, secretary of Kiwanis International, will be one of the featured speakers. During the club's dinner meeting Monday night at the Rose Bowl, Miss Dorothy Davis, a representative of Illinois Power Co., spoke on "Color is How You Light It." She illustrated home and office lighting to its best advantage.

Thirty local members and four members of the East St. Louis Inter-Club attended this week's meeting.

## Health, Not Peace--Retiring Committeeman

Discussing published reports of political "peace," Democratic Precinct Eight Committeeman Sam Chomko this week denied that there have been "peace overtures" between him and the Madison political organization.

Chomko, committeeman in Mayor Stephen Maera's precinct, was described as "a thorn in the side" of the Madison city political organization for many years.

"While I have not sought reelection as committeeman because of ill health, I do intend to continue to fight for representative democracy in Madison, something we do not have under the present setup," Chomko said. He reported that he is supporting Constance Grapas for his committeeman post. The other candidate is Steve Grakaloff.

**Rear-End Collision Results in Ticket**  
While stopped to pick up a passenger at 20th and Omaha streets, at 5:40 a.m. Tuesday, a Yellow Cab Co. taxi, operated by William R. Hoffman of 737 Twenty-seventh place, was struck in the rear by a vehicle driven by Herman A. Reiser of 2021 Russell street.

Reiser was charged with improper overtaking when not safe and told to appear for a hearing at a later date.

## Slides on Ice Road

Alan R. Nancy of 3128 Davis avenue told police his auto slid on the icy pavement at 10:15 a.m. Tuesday and struck a yellow local member's car owned by Bob Stack of Collinsville. The mishap occurred on the 3100 block of Davis.

## Elkettes Conduct Memorial Rites

The Elkettes held the first meeting of the new year Tuesday evening at the Elk's Club with 33 members present.

Memorial services were conducted for deceased members by Mrs. Mary Batson, Mrs. Catherine Mitchell and Mrs. Lois Cox, and the group adjourned in the taffet hall where they were entertained at games and refreshments were served.

Mrs. Thelma Ruppel and Mrs. Mildred Jungles were hostesses and prizes were won by Mrs. Marge O'Neill, Mrs. Barbara Blackburn, Mrs. Irma Bossett, Mrs. Batson, Mrs. Rose McGovern, Mrs. Karmyn Lindens, Mrs. Ruby Parker and Mrs. Dorothy Copeland. The special prize went to Mrs. Mary Whitel. The opening and closing prayers were offered by Mrs. Mitchell, chaplain.

## Auxiliary Holds New Year's Party

American Legion Auxiliary Post 209, Madison, held a New Year's party Monday evening.

A buffet dinner was served to about 100 persons and Mrs. Gertrude Young presented gifts of appreciation to Mrs. Amanda Coleman, president of the Auxiliary, and F. Gerald McGraw, Post commander.

Several awards were made and the winners were Mrs. Gladys Bradley and Mrs. Anne McGraw.

## Combined Trio, GC Unit Meeting

The Trio unit of the Madison County Homemakers Extension Association held a monthly meeting Tuesday at 12:30 at the Hope Lutheran Church as a combined meeting with the Granite City unit.

Mrs. Dorothy Schanuel and Mrs. Lucille Pierce were hostesses for the day, assisted by Mesdames Mary Ellen Lewis, Marjorie Stout, Golda Thornburg and Clara Schilling in serving a dessert luncheon. The refreshment table was covered with a lace cloth and held a centerpiece of pink roses and a silver coffee service.

Mrs. Ivan Graklanoff introduced the speaker for the day, James McRoberts Jr., an assistant Illinois attorney general who maintains an office in East St. Louis. He gave the major lesson, "Protect Yourself Against Fraudulent Selling."

Each homemaker unit then held its business session. Members of the Trio unit present in addition to those previously mentioned, were Mesdames Peggy Bargel, Ruth Bravay, Edna Buehler, Ruth Cook, Pat Cuvier, Vivian Forshoe, Irene Kenner, Naomi Kinney, Mary Ellen Lewis, Mary Markham, Ada Matras, Ellen Ozanich, Florence Rapp, Villa Ridings, Dorothy Schanuel, Jerry Schanuel and Lela Seebach.

The Gardenaires Club met Tuesday with Mrs. Jerry Achter, 2029 Washington avenue. Luncheon preceded the meeting.

Mrs. Earl Glenn, president, was in charge. Mrs. John Farrell had the program on "Prevention of Littering," and Mrs. Glenn spoke on creating publicity for flower shows.

Others attending the meeting were Mrs. Albert Malott, Mrs. Mary Kristian, Mrs. Barbara Robinson, Mrs. Cecil Williams, Mrs. C. E. Eads, and a guest, Mrs. A. E. Lessey. The next meeting will be with Mrs. Robinson, 3222 Killarney drive.

MISS MARGARET MARIE AHLERS, a bride to be. Her engagement to Adrian T. Scribner is announced.

## Garden Study Officers Named

Members of the Garden Study Club met Wednesday at the home of Mrs. Bonard Maples, 2533 Delmar avenue. A luncheon was served to 16 members and a guest, Mrs. Marguerite Lexow.

Mrs. Eugene Short opened the business meeting and Mrs. J. O. Lehmann led the members in reading the club collection in unison.

Mrs. Robert Blankenship, local chairman of the March of Dimes drive and a club member, received a donation from the club for the campaign.

Announcement was made of a workshop to be held at the home of Mrs. Andrew Gitchoff, 2639 State street, Wednesday, Jan. 14, at 1 p.m. Members will make porchholders for the Five of the State of Illinois Garden Clubs.

Mrs. August Thies, Mrs. H. E. Lynch and Mrs. Maples expressed their appreciation for the arrangements using dried plants and figurines. These were judged by Mrs. S. M. Wilson, who awarded a point system.

A comprehensive study on "Santaveria, Culture and Use" was presented by Mrs. Delbert McKissick. A garden tour, "Different Oaks for Land," was given by Mrs. Clifford Mang.

The program for the day, a film on "Flowers and the Rose Bowl Parade," was led by Mrs. Wilson.

Election of officers was held, with the following named to lead the club during the coming year: Mrs. Clifford Mang, president; Mrs. Robert Blankenship, vice-president; Mrs. Delbert McKissick, secretary; Mrs. Bonard Maples, treasurer.

The next meeting will be Feb. 4, with Mrs. George Stearns at her home, 2115 Ames avenue. Other members attending were Mesdames Abner Branding, C. E. Eads, Rola Grewell, Marcelline Jung and Wilmer Winter.

## Wives Club Meets at Depot

The executive board members of the Officers and Civilian Wives Club met, Wednesday morning, in the Officers Club of the Granite City Army Depot, with 19 members attending.

Mrs. Charles Chapman and Mrs. Dallas McClellan were hostesses and served tea, coffee, homemade nut bread and cookies using a red and gold floral centerpiece for the table flanked by two red candles.

The regular monthly luncheon is to be Jan. 21 at the Officers Club.

## City Authorizes Engineering Plans For Seven Streets

Engineering design for improvement on sections of seven streets under the motor fuel tax program was authorized Monday night by Granite City council members to prepare for a bid call by March 12.

Protests were raised by several aldermen concerning the need to earmark MFT funds for the proposed \$160,000-\$180,000 continuation of the Johnson road improvement, but with income of \$25,000 to \$30,000 each month from the state gasoline tax for the city, the vote was 13-to-2 to proceed with the plan.

It was estimated the seven street projects would cost about \$80,000. The city presently has \$175,000 available motor fuel tax funds, with \$65,000 due from the state next July 1, in addition to the monthly allocations.

However, the city still has not been billed and does not know the exact amount of its share of the cost of the Nankeski road improvement. It has been estimated from \$140,000 to \$200,000.

Street sections planned for MFT improvements include Marshall avenue from St. Clair to Leonard avenue, Palmer avenue from Nankeski road to Garden drive, Roosevelt street from Rock road to the city limits, Harding blvd. from Jefferson avenue to the city limits, Michigan avenue from St. James to Troy avenue, Rode avenue and Metro avenue.

Mayor Partney advised council members that should there be insufficient funds, the city will be required to pay 65%.

## Cigar Smokers Happy 20% State Tax Illegal

Quad-City wholesalers, distributors and retailers of cigars and tobacco products—cigarettes excepted—have been busy during the past week readjusting prices as the result of a circuit court ruling which nullifies a state-imposed tax of 20% on such products.

The job of decreasing prices and informing customers of the reductions got under way in late December after the Cook County Circuit Court declared the new 20% state tobacco and products tax Act illegal on grounds that it was unconstitutional.

Illinois Atty. Gen. William J. Scott has said he will not appeal the Cook County court ruling, clearing the way for a return to old price schedules prior to last Aug. 1 when the law became effective.

One warehouse distributor of tobacco products to a large number of stores reported the readjustment has not been difficult since tobacco suppliers

### Pattern and Fitting Instructions Planned

W. T. Grant Co. will give a Simplicity Pattern Co. fitting presentations, "Know Your Correct Pattern Size" next Monday, Tuesday and Wednesday at 10 a.m. all three days and again at 4 p.m. on Monday and Tuesday.

Miss Susan Aumann, stylist, will tell how hours of alteration work can be eliminated when patterns are chosen by figure-type as well as size, and will discuss the advantages of making a "basic muslin" as a fitting guide.

### Pleads Not Guilty

Greg John Turnbough, 18, of 2110 Fourteenth street, entered p.m. Feb. 2. The charge of criminal damage to property at 10-10 a.m. Tuesday and was released on a \$2000 recognizance bond for a hearing at 1:30 p.m. Feb. 2. The charge resulted from an incident Dec. 26, in which the window at the Mil Service Station was smashed by a thrown bottle.

### Car Window Smashed

Vandals smashed the rear window of his auto, parked outside his home, William Pruitt, 1207 Rhodes street, told police at 12:50 p.m. Monday.

## City Hears Depot Workers Ires on Crossing Delays

A stack of letters from irate workers at the Granite City Army Depot who have been delayed at railroad crossings on their way to and from the depot was presented to the Granite City council Monday night.

Mayor Partney reported he had received the letters and had forwarded copies to a special state commission that is studying delays at rail crossings.

One of the letters was read to the council. It pointed out that for most of the depot employees there is no way to get to work without crossing a network of tracks and that trains today usually are far in excess of 100 cars.

The writer asked that perhaps railroads could change schedules to avoid the peak vehicular traffic hours of 7:15 to 8 a.m. noon to 1 p.m. and 4:30 to 5:30 p.m.

Delays are from 15 to 30 minutes, it was reported. The writer figured the annual cost of waiting at \$94,937, or \$145 per person. His figuring was on 30% of the depot's 1300 workers delayed for 20 minutes each day, five days a week.

Damage to autos from the rough condition of the crossings also was noted.

Alderman Basarich remarked that the depot officials should aid the city in Washington to obtain funds for over or underpass on Nedringhaus avenue.

Mayor Partney replied that the city has been aided by the depot in the past and that additional requests will be made to the federal highway department.

### St. Louis U. Offers Courses for All Ages

Minority workers, current problems in society, theology and communications and systems analysis will be the subjects of courses offered by the St. Louis University Metropolitan College during the spring 1970 semester.

The college offers non-credit continuing education courses for adults. A number of general courses are offered along with many for professionals in such fields as medicine, engineering and social work.

A one-day conference titled "Reacting Americans" will be offered on March 19; on production and inventory control on March 21; and a sales promotion and advertising conference on April 2.

Two courses in the communications skills program, "Written Communication Skills" will be held on Mondays and "Advanced Oral Communications Skills" on Tuesdays of next semester. Several courses for women meeting during daytime will also be offered.

Metropolitan College is now accepting registrations by mail for the spring semester. Persons interested in enrolling for courses or obtaining a spring catalog may contact the Metropolitan College of St. Louis University at Jefferson 5-5300, station 363.

### State Board Member to Address SIU-SW Group

A member of the Illinois State Board of Higher Education, Mrs. A. C. Hershey, Alton, will speak Tuesday at a meeting of the Southern Illinois University-Southwestern Campus chapter of the American Association of University Professors.

Mrs. Hershey was appointed to the original board by former Gov. Otto Kerner and took part in formulating the "master plan" for projecting a state system of universities and junior colleges. She is to discuss "all matters relative to SIU and the board" at next Tuesday's meeting at 3:30 p.m. in the Illinois Room of the University Center. Faculty members have been invited.

Prof. Dale Bailey of SIU-SW is the new president of the Southwestern campus branch of the AAUP. He replaces Prof. Herbert Rueschick of Collinsville who resigned when he was named dean of the University's Graduate school. Other AAUP officers are Mrs. Fritz Marti, vice-president, and Mrs. Kermit Hovenga, secretary-treasurer, both of Collinsville.

### Mrs. Theresa Caban, 78, Dies Wednesday

Mrs. Theresa Caban (nee Grenick), 78, of 2037 Fourteenth street, a native of Austria-Hungary, died at 4:30 p.m. Wednesday at St. Joseph's Hospital in Highland.

Mrs. Caban had suffered a stroke seven years ago and had been bedfast since that time, hospitalized at the Colonades Nursing Home here and the Anna Henry Nursing Home in Edwardsville. She was transferred to the hospital Wednesday morning.

Born in Austria-Hungary, she came to this country at the age of 18, living in Indiana until 45 years ago when she moved to Granite City.

She is a member of St. Joseph Roman Catholic Church. Survivors include her husband, Paul Caban; three sons, Emil, John and Paul; and two daughters, Mrs. John (Mary) Cherk of Granite City and Mrs. John (Ann) Schell of Alton; 16 grandchildren and eight great-grandchildren.

Funeral arrangements are given in today's obituary column.

### Legal Aid Society Attorney to Speak

Henry Simpzenich, an Alton attorney and member of the Madison County Legal Aid Society, will discuss legal rights of housing tenants at a special open meeting at 7:30 p.m. today in the Kirkpatrick Homes recreation center. The public is invited to attend.

Sponsored by the Kirkpatrick Homes Improvement Association, tonight's meeting also will afford tenants of rental property an opportunity to discuss various problems and what legal recourse is available to them, a KHAH officer said. Simpzenich's presentation will focus mainly on grievances and complaints of public housing occupants, it was learned.

### Speeding Charge

Clarence A. Norman, 1916 Fifth street, Madison, was issued a speeding ticket at 11 a.m. today at East 20th and Park streets. He is to appear by Jan. 21.

LEAVES FOR SERVICE

David Schneider, son of Mr. and Mrs. Roy Schneider, 26 Snowbird lane, left Monday morning to begin basic Army training at Fort Leonard Wood, Mo. The Schneider family recently moved to Granite City from Columbia, Ill. Schneider, who is 17 years old, volunteered at the local recruiting office.

JET SET CLUB MEETS

AT VARADY RESIDENCE Mrs. Faye Varady, 3309 Bluebird lane, entertained members of the Jet Set club Tuesday night for their monthly meeting.

A discussion was held on the club's Christmas project of presenting gifts to the approximately 30 patients at the Madison County Nursing Home. Members delivered the gifts, entertaining the residents and serving refreshments. Mrs. Betty Corcoran was chairman of the project. Following the visit to the nursing home, club members held their party and gift exchange at the Flamingo Pit.

The birthday of Mrs. Betty Porter was observed, the club presenting her with a gift. Mrs. Corcoran, unable to attend, also was remembered on her birthday.

Cards were played and prizes were won by the apartment painter, Mrs. Jo Marie Bywater and Mrs. Doris Bernack.

The business served a late supper to Mrs. Wilma Sparlock, Mrs. Athalea Bugg and those mentioned.

Mrs. Painter invited the club to her home for the next meeting on Friday, Feb. 6.

MRS. BYRNE IS CLUB'S QUEEN OF THE YEAR

Mrs. Villa Ridings, leader of the Future Shinerettes, presided at the Tuesday night meeting of the club, held at the East Side Levee office here. The club has decided to meet at this location permanently.

Mrs. Christine Espamer, weight recorder, announced that Mrs. Pat Wickman and Mrs. Roberta Darragh were winners of the title of "queen of the week."

Mrs. Kathy Brave presented each new queen with a jeweled "queen's pin" and they shared a glass of champagne.

Mrs. Peggy McGeehe, in charge of the group's current weight losing contest, reported that Mrs. Roberta Darragh won first place.

A new contest was begun, with Miss Kathy Brave serving as chairman. First prize went to a member who loses weight for eight consecutive weeks.

Mrs. Espamer told the club about reports she had filed with the Illinois State Take Off Pounds organization on the local club's weight loss for the past year.

Mrs. Marie Byrne was honored as the club's new "queen for year."

Mrs. Espamer presented her with a gold trophy on behalf of the members.

Mrs. Ridings served coffee to those named and Mesdames Laura Davis, Helen Wilson, Diane Genterman and Vivian Davis.

YOUTH FELLOWSHIP PLANS STUDY, WORSHIP, DRIVE

The Christian Youth Fellowship met Sunday evening at Central Christian Church with the sponsor, Jim Ash. A guest, Miss Linda Beane, talked to the members concerning a program to be presented at today's meeting of the Christian Women's Fellowship. Several of the Youth Fellowship members will participate in the program.

Plans were made for a study to be held in the second week of each month, with Joe Berk, bigger in charge of this month's study, and for a special worship service to be conducted the last Sunday of each month. Jim Ash and Alma Cassy will be in charge of the January service.

The CYF is planning to sponsor a paper drive, tentatively set for Feb. 14, and a bowling party later in the month. Complete plans will be made at a future meeting.

Troop 61 will present the colors, and refreshments will be served by the fourth grade room mothers.

ST. JOSEPH BROWNE TROOP BEGINS YEAR

Browne Troop 1138, sponsored by St. Joseph school, met Monday afternoon at the home of the leader, Mrs. Irene Nelson, 2322 Edison avenue, for its first meeting of the new year. Carmella Wyoneter led the pledge and promise.

Members started a new project, a ring embroidery stitches, and spent the afternoon practicing the skill and discussing Christmas at their homes and gifts they had received.

Mrs. Nelson served refreshments to Susan Padgett, Michelle Ann Boyer, Janet Nelson, Elizabeth Szymek and Carmella Wyoneter. The meeting closed with singing of "Good Night Brownies."

HOME FROM EUROPEAN TOUR

Mrs. Juanita Keltner, 2028 Amos avenue, and Mrs. Florence Simpson, 2621 Edison avenue, returned home early this week from a three-week European holiday tour.

They flew to Frankfurt, Germany, and took a train to Jever in northern Germany, where they met Mrs. Keltner's son, David Keltner. He is stationed in Jever with the U.S. Army. He has been in Germany a year and a half and is to be discharged April 1. He is a graduate of the University of Illinois.

Mrs. Keltner was on leave and accompanied the two ladies on their motor tour. Their first stop was in Cologne, Germany, where they toured the many old cathedrals. They went to Amsterdam, Holland, where they stayed at the Hotel de Ville.

They traveled through Luxembourg and to Paris, France, where they toured points of interest. The palace in Versailles was toured, and the group drove south to the Riviera, arriving at Marseille, where they were impressed by the great number of open-air markets.

Cannes, Nice and Monaco were next on the tour, with a stop at the palace of Princess Grace, where the changing of the guard was taking place. The leaving tower of Pisa, Italy, was next on the trip, followed by three days in Rome. The vacationers toured Vatican City, St. Peter's Church, the Roman Forum and other ancient churches and monuments.

They went on to Naples and Mount Vesuvius, and then back to Switzerland through the Alps. Germany was their last stop before they arrived back at Frankfurt. Keltner reported back to his base and Mrs. Keltner and Mrs. Simpson flew back to the U.S.

CANDLELIGHT SERVICE

The Sunday night meeting of the Senior High Methodist Youth Fellowship of Nameoki United Methodist Church was postponed this week so that members could practice with the Youth Choir, which performed at the candlelight communion service held at the church Sunday night. Mrs. William Fester is director of the choir, which sang "Let Us Break Bread Together."

Marilyn Bess, Connie Bryant, Cheryl Tadlock and Sharon Bono were members of a quartet which had a special part in the presentation. Neil Seymour, a member of the Youth Choir, served as organist.

The Fellowship group will meet Sunday at 5:30 p.m. at the church.

BROWNE TROOP 340 CHOOSES OFFICERS

Browne Troop 340, sponsored by the Parkview school PTA, met at the school Monday with the leader, Mrs. Delores Smith, and co-leader, Mrs. Inge Modric. The meeting opened with the pledge of allegiance and Brownie promise.

New officers were selected: Cheryl Ford, president; Cheryl Modric, scribe; and Nancy Smith, treasurer. The Brownies made and decorated telephone pencil and paper holders. The completed items were taken home.

Games were played by the new officers and Christine Coleman, Susan Range, Susan Wischnik, Kit Walsley, Laura Sikora, Helen Goffler, Theresa Heiney and Donn Rowlett. The meeting closed with a "Brownie bridge."

PRAYER GROUP MEETS WITH MRS. CHRISTIAN

Members of the Mission Prayer Group of First Baptist Church met Wednesday at the home of Mrs. Velma Christian.

**Worker at Gen'l. Steel Collapses and Dies**

Wilford Richter, 59, a pipefitter at General Steel Industries Co., collapsed in the locker room at the plant after his day work shift Monday and was taken by ambulance to St. Elizabeth Hospital where he was pronounced dead upon arrival at 3:52 p.m.

A lifelong resident of St. Louis, Mr. Richter resided at 1128 Redman road.

He had been employed for the past 29 years at the local plant as a pipefitter in the repair mechanical department.

Surviving are his wife, Ruth; one son, Thomas L. Richter; his mother, Mrs. Clara Richter of St. Louis; a sister, Mrs. Melba Flaherty and one brother, Roland Richter.

Funeral services were conducted at 2 p.m. today in St. Louis. Interment was in Friends Cemetery, St. Louis.

**Dr. E. H. Theis Improving: Still in ICU at Hospital**

Dr. E. H. Theis, local physician, is still a patient in the intensive care unit at St. Elizabeth Hospital. His condition is listed as critical, and although he is improving he is allowed no visitors.

Dr. Theis was stricken with an apparent heart attack on Friday night while attending a meeting of the Quad-Cities Mental Health Board in the clinic offices.

**Stalled Car Struck**

The rear of a car driven by Otis Thomas of East St. Louis, which was stopped on the east approach of McKinley bridge with the hood up, was damaged about 5:10 p.m. yesterday when struck by an auto driven by Everett A. Nasalroad, 1609 Third street, Madison, Venice police reported. Nasalroad's car was damaged in the left front.

**Venice Homes Fire Call**

Venice firemen were called at 8:50 a.m. yesterday to the home of James Smith, 64 Venice Homes, where a chair in the living room caught fire. Firemen said they believed the fire started from a cigarette. Damage was confined to the chair. Firemen were at the scene about 15 minutes.

**Radar Unit Nets Two**

Granite City police radar unit operating at 5:30 p.m. yesterday in the 2500 block of Washington avenue, issued speeding tickets to Barbara A. Schmiedake, 2310 Pontoon road and Troy E. Howell, 2512 Jerden avenue.

**2015 Iowa street, for a noon luncheon.**

The meeting had been scheduled for the home of Mrs. Fern Affolter, but due to the death of her mother-in-law the family had been called to Rola, Mo.

Mrs. Christian read missionaryaries of the day and offered opening prayer. Mrs. Pauline Harp gave the devotional, from the eighth chapter of Mark.

Mrs. Ivette Olive was welcomed back to the group. She recently returned home after visiting her grandchildren in Kentucky and Alabama.

Also present were Mrs. DeLores Carson and Mrs. Wilma Hudson. The meeting next Wednesday will be with Mrs. Virginia Head, 2921 Marshall avenue.

**HOME FROM HOSPITAL**

Mrs. Bertha Witter, Rural Route Two, Collinsville, returned to her home Tuesday following a ten-day stay at Barnes Hospital, St. Louis, where she underwent foot surgery.

## Chief Gives Tips on How To Drive on Icy Streets

Granite City's Chief of Police Ronald J. Veizer, shuffled through a sheaf of accident reports on his desk today and came up with these comments:

"Vehicle number one skidded into intersection and struck vehicle number two immediately behind the driver's door."

"Another: 'Vehicle number two slid into rear of vehicle one.'"

Or Another: "Vehicle failed to negotiate curve. Road condition, icy."

And still another: "Vehicle one side-swiped vehicle two in attempting to pass."

The chief pointed out that these reports all add up to one thing: One or more drivers in each of these cases badly misjudged his ability to stop or control his car on ice or snow-slick roads.

Chief Veizer agreed that the problem was difficult for the average driver, and he cited several little known facts from test reports of the National Safety Council's Committee on Winter Driving Hazards:

Glare ice is the most treacherous. Or such a surface, stopping distances can stretch out to nine times the normal distance on dry pavement (148 feet on ice as opposed to 17 feet on dry pavement at a speed of 20 miles an hour.)

Or put in other terms: A driver who can bring his car to a stop from 60 miles an hour in about 180 feet on dry pavement would have to be driving as slow as 22 miles an hour on ice to stop his car in 180 feet.

"That's where drivers like these make errors in speed judgments," Chief Veizer said, returning to his accident reports.

And he listed tips from the International Association of Chiefs of Police to help drivers avoid skid-crashes:

Get the feel of the road by driving your brakes lightly and away from traffic. You'll skid twice as far when the ice is 30° than you will when the temperature is down around 0°.

Reduce your speed.

Follow cars ahead at a much longer distance.

Accelerate, steer and brake gently. Plan every maneuver much further ahead. Avoid sudden changes in direction.

Use traction aids — that means snow tires or studded tires, and reinforced tire chains under the most adverse road conditions.

Remember, too, that snow tires are made for snow. They give little or no advantage over regular tires for stopping on ice.

"There's no better way to keep your name off a police department accident report than to use good judgment—whether the weather's good or bad," the chief emphasized.

"These tips will help you 'winter-wise' your judgment," he concluded.

Virgie Lopez, 1037 Bissen street, Venice, reported to Madison police Monday that a coin purse containing \$16 in currency and some change was stolen from her purse while she was shopping in a Madison store Monday. Police said the woman told them she laid her purse on a counter for a while, and when she picked it up the coin purse was missing.

judgments," Chief Veizer said, returning to his accident reports.

## 708 Unlikely to Fight State Stand on Clinic — Attorney

Marshall H. Smith, an assistant state's attorney, this week defended actions of the Madison County Mental Health Board and his legal advice to that board.

He denied that closing of the existing Granite City mental health clinic has been considered, and said that charges brought by the 708 Board would have affected only the clinic administrator.

However, 708 Board members in recent weeks have discussed seeking a new clinic location, forming a new clinic board and filling as many staff vacancies as might develop from the 708 Board attempt to oust the administrator.

Smith said he is certain that, if the state operates the clinic and keeps Jerry Staten as administrator, "if they wish this responsibility," the 708 Board will not argue the matter."

He indicated the possibility of continued 708 Board unwillingness to release county tax funds and to the local clinic, but said a written contract would be given consideration.

The county budgeted \$102,000 for the mental health center here in 1970 but has not forwarded any funds since the fiscal year began Dec. 1. The state has offered to provide all needed funds for the time being.

Text of Smith's statement follows:

"Our office has had a few letters expressing some concern over the possible closing of the Granite City Mental Health Center and there have been some newspaper articles, which spread over a period of time, and with each reporter expressing the facts as he heard them, have led to some confusion."

"I don't know whether a resume from our office would help to clear up the situation or not, but I believe that I can be objective about it, and if you are interested in the entire situation as I see it, read on."

"The first misconception is that the clinic in Granite City may be closed. I have never heard any member of the 708 Board, the board in Granite City, the administrator of that clinic, or the state of Illinois in-

state that this would be a possibility."

**Tax Started 3 Years Ago**

"The troubles began about three years ago when this tax was first imposed which allows the county to tax up to about \$1,000,000 for mental health."

"The law allows the 708 Board to either operate clinics themselves or contract with others to do virtually anything in the field of mental health."

"This program was started in this county with three principal recipients with no written contract, and each recipient had a different fiscal year than the county."

"Probably everybody had a different idea of what the range of their work would be, how the work would be coordinated, and what 'George' was supposed to do, except that they were men of good will. It is rather like a nice couple getting married without looking ahead to the possible misadventures that frequently disrupt marriages."

"Next, the three clinics were urged to budget slightly in excess of their needs due to the fact that money that was borrowed to start them up had to be repaid."

"This rather gave the impression that everybody was operating well within the budget and that money was not any real primary concern."

**Felt Advice Was Unwanted**

The 708 Board is composed of one medical doctor and the balance are laymen. There is only one "politician" on the group and he is the supervisor from Highland township. All members serve without pay.

They obtained the feeling from some professions during the three years of operation that their advice and counsel was not needed in the mental health program as they were not professionals and just "ignorant laymen."

"At the same time there is a cross-current from the medical doctors who are a little leary in turning this field of mental health over to the psychologists who are, after all, only paraprofessionals."

"Then, to make the marriage a little more strained, there was some tension prior to this year

## Icy Streets Blamed For 6 Crashes Monday

Icy road conditions Monday in Granite City resulted in six accidents, most of which involved minor damage to autos and no injuries.

Thomas B. Harmon of 10 Briarwood told police his auto slid into a car operated by Mrs. Larry Lananah, 2523 Benton street, in the 3200 block of Colgate place.

The westbound auto of James K. Abrams of 2409 St. Clair avenue was struck near the intersection of St. Clair and Benton avenues Monday by a vehicle operated by George L. Lour of Fenton, Mo.

At 12:55 p.m. Monday, a collision at Niedringhaus avenue and State street, involved vehicles operated by Roy F. Meredith of 2322 Winter drive, and Norma J. Tilson of 2925 Madison avenue.

When an auto driven by Mrs. Tommie F. Patrick, of 1733 Courtenay blvd. stalled at 20th street, State streets at 1:25 p.m. Monday, David P. Tackett of 1044 West 20th, a driver for Yellow Cab Co., attempted to pass the stalled vehicle and struck the left side of the Patrick car.

As he made a left turn onto Edison avenue from the First Granite City National Bank parking lot at 1:50 p.m. Monday, Leonard W. Schaefer of Rural Route One, struck the left side of a southbound auto operated by Mrs. Agnes J. Raub, 1704 Garfield avenue.

A foot slip off the brake pedal was blamed for a rear-end collision at Nameoki and Johnson roads at 2:10 p.m. Monday, involving autos operated by Marleen K. Schwind, 1617 Wellington drive, and Carl V. Buehler, 2600 Madison avenue. Both cars were headed north on Nameoki road.

**Auto Battery Stolen**

Thieves cut cables and removed a 12-volt battery from an auto belonging to Rev. L. J. Mattingly, 2301 Pontoon road, parked in a garage at his home, it was reported Monday. Entry to the garage was gained through an unlocked side door. Value of the battery was not given.

"For example, there is no indigent criminal getting one time of any mental health funds, but then, of course, there is nobody with influence to say a word for them."

**Impartial Investigator**

"Also, an impartial investigator is needed to look into any requests for funds."

"Since I have been meeting with the 708 Board, there have been five of these that I know of."

"The public should also bear in mind that the program can go to \$1,000,000 and I do not believe that it can be adequately controlled by the 708 Board on a one-day-a-month basis. No businessman would ever run his business in that fashion."

"This field of mental health is apparently not subject to a nice table of organization or nice geographic boundaries, not reducible to the situation that the schools or other agencies do this particular thing and we do that particular thing. This leads to duplication and overlapping, and what does happen

"The 708 Board thereupon made arrangements to lease the same premises and keep the same personnel, except for a new administrator, and proceed with the program."

**Changes State Objectivity**

"At this same time a doctor with the state was asked to run his own investigation of the Granite City clinic and he approved of same."

"The 708 Board then found that he has a private office in Alton with the Granite City administrator and he also maintains another further private office in St. Louis apparently. This did nothing to strengthen the faith of the 708 Board in the 'professionals.'"

"Now, I understand that the state of Illinois will operate the clinic and will presumably keep

**WMB TOPCIT BWTNT ALI**

A year ago we came up with this crazy bunch of letters which stand for our motto—We May Be The Only Phone Company in Town, But We Try Not To Act Like It.

Some folks thought we were just trying to be funny, but we were dead serious about the motto the letters stood for. We still are. Communications is our business

—our only business. That is why we at Southwestern Bell can devote all of our energy, our talents, our knowledge and resources to providing you with the very best in communications service at the lowest possible cost.

We encourage you to take for granted the world's best telephone service, with the assurance that we won't.

## Hoelscher Named President Of Hospital Advisory Board

William F. Hoelscher was elected president of the Lay Advisory Board of St. Elizabeth Hospital during the annual reorganization meeting held Monday afternoon at the hospital.

Hoelscher, who is executive secretary of the Manufacturers Association of the Tri-Cities, succeeds Chris Kacaleff, president of Chris-Kaye Plastics Mfg. Co., Madison, Kacaleff was presented with a certificate of appreciation from Sister Mary Thomas, hospital administrator.

Elected vice-president of the board, a post held last year by Hoelscher, was Clifton Blankenship, supervisor of safety and training at the A. O. Smith Corp. plant and immediate past president of the Tri-Cities Chamber of Commerce.

New members elected to the board were Dr. O. M. Lay, surgeon at the hospital; Gene H. Siemering, local contractor; Allen Jesse, executive vice-president of the Granite City Trust & Savings Bank; and Leonard Conches, director of personnel for Union Division of Miles Laboratories.

The nominations of new officers were presented by Austin Witter, chairman of the board's nominating committee.

## Council Debates Part-Time Jobs, Sick Leave Benefits

### GC DeMolays Host District Meeting

James Stuart Chapter met Tuesday night with Master Councilor Dwayne Pritchett in charge. The chapter meeting was held early to permit attendance at the District Four meeting the local chapter hosted.

Announcement was made that the annual DeMolay chili supper will be held on Tuesday, Feb. 17, with the price staying the same as the previous five years—\$5 cents. Pritchett announced degrees for the next class of candidates will be conferred in March. Bill Watson, basketball chairman, reported on the basketball teams activities and remarked that basketball is continuing to be held at nine o'clock on Mondays at the park district community center.

Mike Norton reported on the bowling which is held on Saturday mornings at Bowland. Eighty-five DeMolays and advisors attended the District Four meeting with District Master Councilor Gary Kessinger of The George G. Guler Chapter, Wood River in charge. The next meeting of the District will be in March at the Masonic Temple in Columbia with A. E. Wernel Chapter as host. It was announced that Columbia will hold the Southern Illinois Jurisdictional meeting there on Sunday, Jan. 25.

Following the meeting the feature length film "Young Man on the Go" was shown. The Mother's club served refreshments at the close of the district meeting.

Outside jobs held by city employees—a time-worn topic of the Granite City council—flared up again Monday night, featuring a 45-minute discussion in which virtually every alderman took part.

At the end, the council voted to give the decision responsibility to the department heads, who would be answerable to the council for their actions.

While on the subject of employee activities, the council also condemned the large amount of sick leave benefits being paid—\$100 for a two-week period in December—and threatened a three-day period without pay if the "abuse" continues.

It was brought out that any city employee who has an extra job, forfeits any sick leave benefits from the city, a clause in the sick leave ordinance which has not been enforced.

Alderman Nomm kicked off the debate with a motion to have an ordinance prepared to prohibit any city employee from holding an outside job. It died for lack of a second, but he later—after council members expressed their views—called for an ordinance to be prepared placing the responsibility on the department heads. That motion was approved 13-to-2.

"An American Privilege"

During the debate, Alderman Green pointed out, "It's an American privilege to get out and earn an extra buck."

Alderman A. Whittier said Nomm's motion would prevent policemen from being hired by banks to direct traffic and to be paid by a school district to be on patrol at schools during athletic and special events.

In the discussion, Alderman Baker, a federal employee, said federal job supervisors require signatures on statements by employees that outside jobs will not conflict with government positions. "You'll need to give

### Miss Rich a Chairman For State Art Meeting

Miss Ann Rich, Granite City high school art education instructor, will be appointed Local Program Chairman of the State of Illinois Art Education Association for its 1970 conference to be held next November at the Chase-Park Plaza Hotel.

The appointment is being made by Eugene L. Alais, president of the Illinois Art Education Association and consultant of art education of the Granite City school system, along with Mrs. Angela Patarkis, president-elect of the organization; who is also head of the School of Education of the Chicago Art Institute.

Miss Rich will act as liaison between the state council and the city of St. Louis in setting up the November conference. Her appointment will be made at a state council meeting Jan. 10.

### Hit-Run Accident

Norman Bennett, 2628 East 24th street, reported at 8 p.m. Tuesday that his auto was struck on the left side by another vehicle while parked at 22nd and Benton streets earlier the same day. The second car left the scene, Bennett said.

### Floyd C. Worthen, 72, Dies of Heart Ailment

Floyd C. Worthen, 72, of 2452 Adams street, a brother of Granite City Park Commissioner Milton Worthen sr., died at 11:42 p.m. Tuesday at St. Elizabeth Hospital of a heart ailment.

A Granite City resident for 50 years, Mr. Floyd Worthen was born in Murphysboro, Ill. He retired in 1963 from Granite City Steel Co. where he had been employed as a crane operator for 42 years.

Mr. Worthen was a member of the First Assembly of God Church and the Masonic Lodge 877 and Low 12.

His wife, Dolly, died in August 1969.

Survivors, in addition to his brother, are four sisters, Mrs. Jonnie Peters of Granite City and Mrs. Anna Adams, Mrs. Alma Lipe and Miss Mary Worthen, all of Murphysboro, Ill.

## Walter T. McCoy, 80, Dies; Ill Five Years

Dewey avenue, a retired watchman at Union Star & Refining Co., died at 10 p.m. Tuesday at St. Elizabeth Hospital.

He had been stricken with a stroke five years ago and was hospitalized for the past three days.

Born in Kentucky, Mr. McCoy lived in Dover, Tenn., prior to moving to Granite City 25 years ago. He was a member of the Pentecostal faith.

Mr. McCoy was employed as a watchman at the local plant for 24 years and retired in 1954.

Surviving are his wife, Maggie McCoy; and six children, Grover McCoy, Clarence McCoy and Mrs. Delores Scott of all of Granite City, Mrs. Thelma Culpepper of Detroit, Mich., Lester McCoy of East St. Louis, Walter McCoy Jr. of Mayfield, Ky.; 26 grandchildren and 10 great-grandchildren.

Arrangements are given in today's obituary column.

## 'Y' Swim Team Still Recruiting

The campaign to recruit new members for the YMCA swimming team, the Tidal Waves, is still in progress and anyone interested may contact the "Y" youth department, according to Fred McCollegan, swim coach. Assistant coach is Michael Tharp, a student at SIU-SW campus.

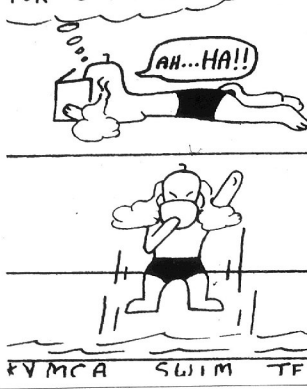

The team, with a roster of 40 members, competes against other YMCA's and in AAU swim meets in Illinois and Missouri.

Membership will give youngsters an opportunity to swim, learn water safety and sportsmanship and a tryout for the team. The youngest age bracket for a competitive meet is 7-8 year old and includes teenagers until they reach 18.

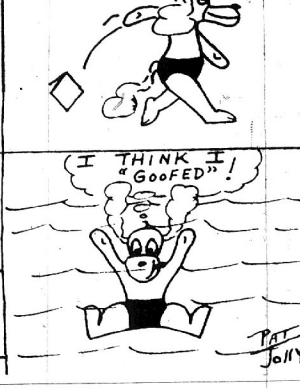

Scheduled YMCA dual meets in January will include the first one this Saturday, Jan. 10, at the local "Y" when they meet Quincy, at 1 p.m.; Saturday Jan. 17 at Belleville and Saturday Jan. 24, here, with the Alton team.

## Careers Night For Students

The Madison County Chapter of the Council for Exceptional Children will be host to high school students at the annual "Careers Night in Special Education" meeting at 7 p.m., Jan. 13, at the Eunice Smith Elementary School, 3400 Henry street, Alton.

The program will focus on the varied teaching fields in special education. Sectional meetings and demonstrations will be given on: trainable mentally handicapped, educable mentally handicapped, learning disabilities, emotionally disturbed, gifted, hard of hearing, physically handicapped, sight saving, social work and psychology. Students may attend any of the meetings. Wilbur Trimpe, Madison county superintendent of schools, will discuss available scholarships and lead a panel to answer any questions.

All high school juniors and seniors interested in attending should contact their school counselor for applications and further information.

## Local Student Nurses Named on Honor Roll

Miss Karen Cowan, daughter of Mr. and Mrs. Maurice Cowan, 3140 Carlson avenue, has been placed on the St. Joseph's School of Nursing "high honor roll" for the first quarter of the academic year 1969-1970. To achieve the high honor roll, Miss Cowan attained a 2.78 grade point average out of a possible 3.00.

Miss Alice Carbone, daughter of Mr. and Mrs. John Carbone, 3045 Dana avenue, has been placed on the honor roll for the first quarter of the academic year 1969-1970. To achieve the honor roll rating, Miss Carbone attained a B average with a grade point average of 2.68 out of a possible 3.00.

Miss Kathleen Pace, daughter of Mr. and Mrs. Alfred Pace, 1239 Klein street, Venice, Ill., has been placed on the honor roll for the first quarter of the academic year 1969-1970 at St. Joseph's School of Nursing at Alton.

## Sweetheart Banquet By Roca Set Feb. 15

The Roca Young Men's Club met last week and completed plans for the annual "Sweetheart Banquet."

Rick Cardwell, chairman, set Feb. 15 as the date for the banquet and named the following members to committees: Mike Lett, chairman; Dick Diak, Brad Cross and Frank Meheic, flowers and awards; Tom Cardwell, Earl Anderson and Bruce Buntrey, serving at the clubs' social activities, to be honored at the banquet.

Young girls who have been elected Roca Sweethearts, serving at the clubs' social activities, to be honored at the banquet are Debbie Seethold, Barbie Berger, Diane Harper, Nancy Sternberg and the newly elected young sweetheart, Betsy Hayes.

The club is to sponsor a chicken dinner Jan. 31 with tickets priced at \$1.75. The menu consists of chicken, cole slaw, potato salad, bread and homemade pie and will be delivered to the home of the purchasers at their request. Tickets may be bought from any member or elected young sweetheart.

Other activities announced include attending Miss Hayes church, the First Assembly of God Church on Sunday, Jan. 18; visiting the Shriner's Hospital for Crippled Children on Feb. 1; and the Roca Raiders basketball team will play St. Margaret-Mary Wednesday at Coolidge junior high school.

## 'The Show' for Teenagers To be Given on Channel 9

"The Show," a weekly hour-long program, in color, will premiere nationally on public television this month, beginning its run on Channel 9 at 7 p.m. Sunday, Jan. 11.

Designed by and for teenagers, the program is a unique blend of music, serious issues, film and satire that will bring names from the news, top performers and young people together in a unique communications experience.

Each week a personality of national prominence will appear as guest with series host Bob Walsh. Among the persons scheduled for early appearances are Dr. Benjamin Spock; Olympic decathlon champion Bill Toomey; Dick Gregory; James Kavanagh, author and former priest; and Mason Williams, composer and comedy writer.

Walsh and his primary guests will be joined by well-known musical groups and individual performers who will not only perform but will join in conversation with teen-age audience participants and the guest. A regular performer on "The Show" will be folksinger Donal Leake.

"The Show" is a production of the award-winning public television station, WITF, in Hershey, Pa., a station with a background of success in programming for young people. It is being produced under a grant from the Corporation for Public Broadcasting.

## Health Profession Program being Planned at ISU

A plan to help meet the statewide need for the education and training of additional personnel to assist doctors, clinics, and hospitals is being formulated at Illinois State University, Bloomington-Normal.

Dr. Wayne H. Jepson, in his first year as director of allied health professions at ISU, is meeting with campus advisory groups and off-campus consultants in an effort to establish the first aspects of the program.

"Hospitals in the surrounding area desperately need more people who are trained as dietitians, physical therapists, rehabilitation counselors, and in other health-related occupations," Jepson reports.

The initial challenge to Illinois State University came in the form of the Campbell-Tucker report, adopted by the Illinois Board of Higher Education, which charges ISU, Southern Illinois University, and the University of Illinois with the responsibility of development of regional centers for the education of allied health personnel.

## ISU to Develop Gift Residence into Museum

Final legal steps have been completed appointing the Illinois State University Foundation as trustee of the residence of the late Mrs. Hazel Buck Ewing on Sunset Hill in Bloomington, which is eventually to become a "school of nations museum."

ISU, through its Foundation, intends to utilize the 42-room Ewing house to promote international understanding by presenting meaningful samples of foreign cultures, by encouraging programs that will produce collections, displays and lectures, and by sponsoring programs which will provide cross-cultural contacts among students, faculty and community leaders.

Mrs. Ewing, who died Aug. 29 at her home, had designated in her will that the house and the tract of land on which it sits at Towanda and Emerson streets, Bloomington, go to the University. She also gave the sum of \$200,000 to establish a trust fund for maintenance of the School of Nations Museum. Plans are now in the development stage to convert the Sunset Hill residence into a museum of international focus, a process expected to be carried out over a long period of time.

Bond told the Board that ISU,

## Two Federal Land Bank Scholarships Available

For the 14th consecutive year, the Federal Land Bank of St. Louis will award two \$500 scholarships through the College of Agriculture, University of Illinois, Urbana, for the 1970-71 school year.

In announcing the scholarship program, Glenn E. Heitz, Federal Land Bank of St. Louis president, pointed out that boys who are seniors in high school are eligible to participate for the scholarships if they plan to attend the College of Agriculture at Urbana next fall.

Senior high school youths wishing to apply for the scholarships must have a good scholastic record, should be taking part in agricultural activities, such as FFA and 4-H projects, and have practical farm experience. The applicants also should be active in high school and extracurricular events.

Application form and information regarding the awards program may be secured from vocational agriculture teachers, farm advisers or managers of local Federal Land Bank Associations. Applications must be filled with the scholarship committee at the University of Illinois not later than April 1.

The Federal Land Bank scholarship winners in Illinois for the 1969-70 year were James S. Dow, Flora and James E. Joyce, Gardner.

## SIU-SW Starts Graduate Courses in Urban Fields

Establishment of instructional activities in Washington, D. C., to teach graduate courses in urban fields was announced today by Southern Illinois University-Southwestern campus administrators.

The courses will provide on-the-job training opportunities for executives of federal, state and local public agencies dealing with city problems. Similar courses also will be conducted on the Southwestern campus.

Graduate study in government, economics and education will be offered initially. Courses in urban and regional planning are being developed.

Administrative officials said instructional formats will be tailored to meet course and content requirements. The advanced courses are designed to offer mature students an opportunity to progress at their own rate.

**Graduate Faculty To Serve**  
Serving as a core faculty, members of the SIU graduate faculty will conduct intensive five- or six-day seminars at both the Washington center and Southwestern campus. Additional faculty for the courses will include visiting professors from other universities, top executives from the private sector and senior officials from government agencies.

**SIU-SW CHANCELLOR** John Rendleman (third from left) explains new Washington-based graduate courses in urban affairs to members of the Armed Forces Education and Training Advisory Council at a meeting in the Pentagon at Washington. Left to right—John Dowgray, academic vice-president of the University of Tulsa; Rendleman; and Warren Joseph, assistant to Rendleman. The University of Tulsa is offering undergraduate courses in urban affairs in cooperation with SIU-SW.

Tuition and fee payments are expected to cover all expenses of the Washington program.

John S. Rendleman, chancellor of the Southwestern campus, said the courses are being started to help alleviate a severe shortage of professionally trained people in urban fields.

**Shortage of Personnel**  
Rendleman noted that the Department of Housing and Urban Development, which has cooperated with SIU-SW in this program, estimates the U. S. will need nine million persons trained and working on urban problems by 1975. There now are only 3.3 million people in these fields.

Government officials estimate that less than 25% of the country's future needs in this area can be met through existing educational programs.

SIU-SW will cooperate with federal agencies and several major professional associations to provide employment counseling and placement for persons enrolling in the courses.

## Learning Communications Lab Planned for Children

The sponsoring group, Nextep Associates, is a private group of individuals who have participated in or helped to develop the Nextep Fellowship Program at SIU. Nextep means New Exploratory Teacher Education Program, and has been judged by the federal government to be one of the five most forward-looking teacher education programs in the United States.

Further information on appointments for testing children, may be obtained by calling 656-0544 between 7 and 9 p.m.

## Concert Sunday At SIU-SW Campus

Ernst Wolff, German-born tenor, will perform "Four Centuries of Unknown German Leaders" Sunday, Jan. 11 at SIU-SW campus accompanying himself at the piano. The concert will begin at 3:30 p.m. in the Communications Building theater and the public is invited, admission free.

Recitals with the special art of self accompaniment have taken Wolff throughout Europe and the U. S., now the homeland of this singer-pianist-conductor. Artist in residence at SIU-SW last year, Wolff began

## GCHS Art Students Works on Display Now at SIU-SW

Granite City high school art students have 400 pieces of art work on display at the Student Union Building in the Main Lounge of SIU-SW campus according to Eugene Alassi, director of art of the Granite City school district.

The exhibit which began Tuesday will continue through Jan. 30 and displays of all types of art work including water colors, tempera, pencil, ink, oils, copper and wood sculpture, papier mache, ceramics and welded sculpture.

Anyone interested in viewing the display may do so anytime during the day and evening.

## Joseph S. Clark to Speak at SIU-SW

Joseph S. Clark, former United States senator, president of the United World Federalists and chairman of the Coalition on National Priorities and Military Policies, will speak at SIU-SW campus, Jan. 12 at 3:30 p.m. in the St. Clair Room of the University Center.

A former Pennsylvania senator, Clark served on committee assignments during his tenure which led him to specialize in manpower, unemployment, poverty, housing, education, foreign relations and Congressional reform.

He introduced the United Nations peacekeeping resolution to create a UN peacekeeping force, co-sponsored by 21 senators. Since 1968, he has advocated revision of the UN charter "so as to make that body a more effective force for peace." He submitted the plan for peace resolution and co-sponsored the International Cooperation Year resolution, which was passed without recorded dissent by both the Senate and the House.

Since retiring from the Senate, Clark has been an adjunct professor at Temple University and a visiting lecturer at Harvard College and the University of Pennsylvania.

# GRANITE CITY BOARD OF REALTORS

**NOW IS THE TIME TO BUY!!**

Most all forecasters of the economy are convinced that inflation will continue through the '70's. This means that your purchase of a home now, will reap big rewards not only in enjoyment and satisfaction, but in the increased equity in your home.

## HERE'S WHAT WE MEAN:

If you pay 10% down (\$20,000) on a \$20,000 home, and this home increases just 10% in the next year or so, your \$20,000 investment is now

worth \$40,000. or... you have doubled your investment.

**NOW IS THE TIME BUY...** But before you do, BE SURE you deal only through a REALTOR. Not all Real Estate Agents are REALTORS. The REALTORS listed below are members of the Realtor Board, pledged to a strict code of ethics... **COURT PROTECTION** in making one of the most important purchases you family will ever make. ### Daughter Born to Former Resident

Mr. and Mrs. Jerry L. Williams of Pomona, Calif., are announcing the birth of their first child, a daughter, Jan. 4. The baby, whose weight was seven pounds two ounces, has been named Lea Jeanette. The father, a former Granite Cityan, is a son of Mr. and Mrs. John Williams, 2911 Myrtle avenue.

### Cash, Papers Stolen

Theft of \$48 cash, personal papers and other articles from the truck of J. D. Bergfeld, 2201 Cleveland blvd., while it was parked in the 1800 block of State street was reported by Madison police Monday. Bergfeld said the missing items included a shaving kit, a jacket valued at \$7, a folder containing the cash and paper, as well as a union card and chauffeur's license.

## Reception Planned to Honor Rev. Engelbert Bienek

Rev. Engelbert Bienek, O.F.M., pastor of St. Mary's Roman Catholic Church in Madison, who will retire this month after serving 43 years as a priest, will be honored at a joint reception with the newly appointed assistant, Rev. Conrad Motola, expected to arrive here Jan. 18 from Texas.

Plans for the reception are being completed this week by several organizations of the church with a final date to be announced later.

Rev. Sylvester Micek the assistant pastor since August 1959 will take over the duties of pastor at St. Mary's. Rev. Bienek will remain at the church as pastor emeritus. He assumed his duties on Feb. 2, 1936 at the Madison church from St. Francis of Assisi located in south St. Louis.

Born in Selesia, Germany, now a part of Poland, he came to this country in 1908 with his family and settled in St. Paul, Minn. Beginning his preparatory studies for the priesthood at St. Joseph College in Teutonia, Ill. in 1911, he was admitted to the Franciscan Order on June 1, 1917.

During the years 1918 to 1921, Rev. Bienek studied philosophy and humanities in West Park, Ohio, arriving at St. Anthony's Theology Seminary in St. Louis in 1921, where he was ordained in 1924.

After he was ordained, he was appointed to two small parishes in Pellston and Larks Lake, Mich., until being transferred to St. Francis of Assisi in 1933.

Rev. Bienek has a brother, Anthony Bienek, who lives in Riverside, Calif., and a sister, who is a nurse and nun, Sister Flurapert, assigned to St. John Sanatorium in Springfield, Ill. In the 33 years he has served at St. Mary's Church, Rev. Bienek has had a major role in a large building program and estimates he has officiated at about 15 weddings a year, among many other duties performed for the 350 family church membership.

The new church was dedicated in 1954 and is world renowned for its unusual circular design, dome shaped roof and beautiful interior. Continuing the building program the rectory was completed in 1958 and the convent for the nuns in 1965.

After completing the new church, the old church in the basement of St. Mary's elementary school, was remodeled to provide a cafeteria for the students. The eight grade school has an enrollment of 213 pupils at the present time.

Rev. Micek, who will take up his pastoral duties after official letters from the Bishop are received, is also of the Franciscan Order and a native of Columbus, Neb.

### Area Delegates Given Con-Con Committee Posts

Wendell Durr of Edwardsville and Ray Johnson of Troy, delegates of the 63rd Senatorial district to the Illinois Constitutional Convention, were appointed Monday to the Revenue and Local Government committees, respectively, by convention president Samuel W. Winer of Chicago.

Durr was named along with 17 other delegates as members of the convention Revenue committee of which John M. Karns Jr. of Belleville was named chairman. Johnson and 14 other delegates were appointed to the Local Government committee with John C. Parkhurst of Peoria as chairman.

The convention reconvened in Springfield at noon Tuesday to get down to the business of the convention, with consideration of a proposed code of ethics as the first matter on the agenda. The code of ethics will be designed to prevent conflict of interest on the part of delegates and the issue is expected to involve long and heated debate.

Most of the December sessions were devoted to organizational and procedural matters. The delegates then recessed for the holidays to permit time for selection of appointments of chairmen and committee members which were announced in Chicago Monday by Winer.

The convention president set up a total of 12 committees. In addition to the Revenue and Local Government Committees, these included: Bill of Rights, Legislative, Executive, Judiciary, Constitutional Amending and Suffrage, Education, General Government, Rules and Credentials, Style and Drafting and Public Information.
